## 2016 STEM Showcase – 2<sup>nd</sup> Floor Pavilion -Subject to Change

Puyallup School District's 3<sup>rd</sup> Annual Science, Technology, Engineering, and Math (STEM) Showcase will take place at the Washington State Spring Fair April 14<sup>th</sup>-17<sup>th</sup>, located on the **second floor of the Pavilion**. This year's showcase will include projects from K-12 students across the district and will be on display Thursday, Friday, and Saturday of the Fair. Students had the opportunity to enter the competition in one of four categories: **Scientific Practices** where a science experiment is conducted, **Inventions** where students invent a new idea or improve upon an existing idea to create a solution that addresses an identified problem, **Technology** where students demonstrate their ability to design, create, and program using computer software, or **Reverse Engineering** where students take apart everyday items and discover the inner workings of its parts and how they work together. Saturday evening and Sunday at the STEM Showcase offerings include many **hands-on activities** and two building competitions open to all grade levels: **Straw Tower building** at 11am and a **cardboard building** structure at 2pm.
