1. The Association will have officers on the grounds and will use every reasonable precaution in its power for the preservation and protection of persons, articles on exhibition, entries, livestock and property, but will not be responsible for loss or damage by theft, fire or otherwise.

## TRADEMARKS AND COPYRIGHTS

2. Certain words, slogans and graphic symbols have been established to represent the Puyallup Fair and the Spring Fair in Puyallup, and are the exclusive property of the Western Washington Fair Association. Artwork, slogans, music and other communications created to promote or represent the Association or its annual fairs are likewise protected by law. This includes the phrase "Do the Puyallup" and the music and lyrics of the song, "Do the Puyallup," the wordmark combining "THE SPRING FAIR IN PUYALLUP" and "THE PUYALLUP FAIR" and other temporary slogans such as "It's Spring, Baby!", "Epic Fun" or "I Love This Fair."

The valuable trade names and protected slogans and symbols may not be used without the express written consent of the Fair. In general, permission is granted under license, i.e., for consideration, or by permission under special circumstances. Submit requests to the marketing manager, along with complete information on frequency and distribution, including examples or written description of the proposed use.

10. No animal or article shall be allowed to compete for more than one open class premium, nor shall it be entered in more than one class, except as one of a herd, pair or pen, fur or wool, get of sire or dam, or in sweepstakes or championship classes.     - B. If the premium is a cash prize, the money shall be divided equally among the exhibitors concerned. The next lower cash premium, if any, offered in the class shall be added to the premium for which the entries are tied, and then the division shall be made equally.
  13. Cash prizes shall be paid to winners only in classes included in the judge's list.
  14. The judges shall report only the animals or articles entitled to premiums in the judge's list, though they may commend others they deem worthy. The superintendent may deny entry to any animal or exhibit he deems unworthy of public display.
  15. No animal or article deemed unworthy shall be awarded a premium. No premiums shall be withheld merely because there is no competition. Decision of the judge shall be final.

  19. All protests must be made in writing, and must be accompanied by a deposit of \$25.00, which will be forfeited if protest is not sustained. Such protest must state plainly the cause of the complaint or appeal, and must be filed with the Puyallup Fair Entry Office within 24 hours after the cause of protest.
  20. NO PERSON SHALL BE ALLOWED TO SELL OR GIVE AWAY ARTICLES ON THE GROUNDS, EITHER DURING THE FAIR OR AT ANY TIME BEFORE THE COMMENCEMENT OF THE SAME, UNTIL THE LICENSE FOR THE PRIVILEGE SHALL HAVE BEEN PAID AND RECEIPT THEREFORE ISSUED. # VEHICLE UNLOADING PROCEDURES

The Puyallup Fair is continually striving to make setup of merchandise and animal exhibits safer and more efficient. We are asking for your full cooperation in this safety program. **If you do not need to drive onto the grounds, please park in a Fair parking lot and hand truck or walk in.** When you have to drive in and unload, do so as quickly as possible and exit.

## Security Check

Each vehicle entering the grounds will be subject to search prior to entering the grounds. Please enter designated Security Checkpoint Staging Area located at the Service Gate area. Expect delays.

## Service Gate

Enter to receive vehicle permit to unload on grounds. You will be allowed one hour to unload and exit the grounds. Your pass will be date/time stamped. If you absolutely cannot complete your unloading in one hour, you must get the pass validated by a department superintendent or an administrative person.

## Traffic Pattern

Follow the traffic patterns as established. Surrender the vehicle permit at the time you exit the grounds.

## Fine

If you take longer than one hour and do not have validation for an extension, there is a parking fine of \$10.00 per hour.

## During Fair Time

Concessionaires and sponsors with vehicles will be allowed through the Service Gate between 6:00 am and 8:30 am with a Service Road Vehicle Permit. You will receive your gate permit from the attendant at the gate. **NO** vehicles are allowed through the gate after 8:30 am. All vehicles must be removed from the grounds by 9:00 am. Vehicles left unattended and without a permit for parking past the allotted time will either receive a warning and be asked to remove the vehicle from the grounds or be towed away at the owner's expense. Do not park in front of doorways or in vehicle traffic lanes. Your vehicle may be towed away. **HANG VEHICLE PERMIT ON THE REAR VIEW MIRROR SO YOU CAN BE FOUND IN AN EMERGENCY. Include the building where you can be located and your cell phone number.** Please unload quickly and remove your vehicle from the grounds. **NO KEYS ARE TO BE LEFT IN MOTORIZED VEHICLES ON DISPLAY.**

# VETERINARIAN RECOMMENDATIONS FOR ALL LIVESTOCK EXHIBITORS

## TOP FIVE DISEASE PREVENTION RECOMMENDATIONS

1. Segregation – Prevent contact of your livestock with other animals.
2. Restrict use of feed, equipment, and trailers to your animals.
3. Do not remove feed/bedding from the Fair. Equipment used at the Fair should be cleaned and disinfected.
4. Notify a veterinarian immediately if an animal becomes sick.
5. Isolate animals returning home for 30 days.

## BIOSECURITY CHECKLIST FOR LIVESTOCK EXHIBITORS

### Before and During the Fair

- Monitor visitors to your animals and farm, especially if they have traveled outside the country.
- Make sure all veterinary health inspections and certificates of veterinary inspection are current for all animals you will take to the Fair.
- Follow the Fair vaccination guidelines and give recommended vaccination at least 10 days before the event.
- Disinfect all equipment, such as buckets, shovels, wheelbarrows, manure baskets, lead ropes, blankets snares, clippers, scissors, brushes, showbox and so forth before entering the fairgrounds.
- Don't share equipment with other exhibitors unless it has been cleaned and disinfected before and after use.
- Eliminate traffic between exhibitors of different species (especially sheep and cattle). If it is not possible to eliminate this traffic, change clothing and disinfect hands before handling a different species.
- As much as possible, minimize feed and water changes from home to Fair.

- Keep unused equipment and feed bagged or covered to reduce the risk of contamination.
- Vehicles and trailers used to transport animals to and from the Fair should be well cleaned and disinfected, inside and out, between uses.
- Do not mix species in the same trailer. Avoid commercial haulers with multiple animals from multiple farms.
- Clean and disinfect all items at the end of the Fair before taking them home.
- Properly dispose of unused bedding, hay and feed after the Fair. Do not bring it home.
- Minimize stress by keeping animals cool, well bedded and comfortable.

### After the Fair

- Keep Fair animals isolated from other animals and pets for at least 30 days.
- Check these isolated animals every day for any signs of illness. Contact a vet if you see any unusual symptoms.
- Care for isolated animals separately, then shower, change your clothes and clean and disinfect your boots before going to other areas of the farm.
- The person caring for animals at the Fair should not perform animal-related chores at home. If the same person must do both, chores at home should be done first. Garments should be cleaned and disinfected between each trip to the Fair and barn/pasture.

# OPEN CLASS VETERINARIAN INFORMATION: Livestock from WITHIN Washington State

**The 2009 Exhibition Livestock Health requirements include many changes. Please read carefully.**

The following are the minimum animal health requirements for the Puyallup Fair, including cattle, goats, sheep, llamas, horses, swine, pigeons, poultry, rabbits and cavies originating within the state of Washington. The Fair will have official veterinarians available for animal health care.

1. Individual Certificate of Veterinary Inspections on Washington animals is not required for entry into the Fair.
2. No animal from a quarantined area or premise may be permitted to enter the Fair or show.
3. OUT-OF-STATE ANIMAL ENTRIES MUST COMPLY WITH STATE OF WASHINGTON IMPORT REGULATIONS. NO EXEMPTIONS UNLESS EXEMPTED BY RULE.
4. Fair veterinarians will inspect all classes of livestock and poultry (including, but not limited to cattle, swine, horses, pet animals, rabbits, fur-bearing animals, pigeons, ducks, geese, turkeys, etc.) before they are permitted access into the barns to determine that the livestock and poultry show no clinical indications of contagious, infectious diseases and ectoparasites.
5. Fair veterinarians will reject any animal with infectious or contagious diseases or ectoparasites. Exhibitors should be made aware that ringworm, warts, pinkeye, strangles, contagious ecthyma, scabies, lice, mites, ticks and fleas fall into these categories.
6. Animals exhibiting disease symptoms during the course of the Fair will be removed from the exhibit areas, and either be sent home or kept in a quarantined area.
7. It is strongly recommended, but not required, that cattle be vaccinated in the current show year against respiratory diseases. Any cattle going to the Fair should have adequate protection against IBR, BVD, PI3, and BRSV.
8. The Fair veterinarian's professional decision as to the health status of an animal will be final and will be upheld by the Fair board.
9. Animals and birds not intended for exhibition will be denied entry to the grounds. Please leave your pet at home for its own protection, with the exception of guide/service animals. They should be properly protected against infectious and communicable diseases as indicated for exhibit animals.
10. The Puyallup Fair requires all goats and sheep to be tagged or tattooed with Scrapie Identification.
11. All sheep will be inspected with blankets removed before allowed entrance to the barns.

Killed products need appropriate booster to have maximum benefit depending on what vaccines have been given in the past. In addition, they should have five-way lepto and eight-way clostridial protection. It also doesn't pay to buy the cheapest product available. There is a difference in vaccines. The intranasal product is suggested, whether or not it will protect for MCF, it will give IBR protection.

Please remember that E.coli 0157:H7 infection can be transmitted by contact with animals. Youngsters, seniors and immune impaired persons are particularly susceptible. Hand washing facilities are available and should be used wherever human-animal or animal waste contact is possible, and signage directing the public to those facilities is visible throughout the barns.

# OPEN CLASS VETERINARIAN INFORMATION: Livestock from OUTSIDE Washington State

Exhibitors of animals and birds originating outside of Washington must comply with state rules and regulations in addition to the requirements of the Puyallup Fair.

Entry permits are required for all out-of-state cattle. A blanket permit to each Fair will be issued upon request by calling (360) 902-1878. The blanket permit number for the 2009 Puyallup Fair is 91-C1432 for out-of-state exhibitors. Their veterinarians need not call if they use this permit number on health certificates for this Fair only.

Permits for special livestock sales may be obtained by calling the Livestock Identification Program at (360) 725-5505.

All out-of-state animals going to Fairs must have a Certificate of Veterinary Inspection except for Idaho and Oregon dogs, horses, sheep, goats, alpacas and llamas traveling to Washington with their owners in personal vehicles for roundtrip visits of not more than 96 hours. This exemption does not apply during emergency disease conditions declared by the State Veterinarian, or extend to any required testing.

## **OUT-OF-STATE CATTLE**

All cattle are required to have a Certificate of Veterinary Inspection (health certificate) listing official individual identification and an import permit, which may be the blanket permit for the Fair, 91-C1432.

Canadian Cattle: These cattle must comply with Washington state import requirements. Non-vaccinated Canadian cattle will be allowed entry into the Fair and return to Canada. A Certificate of Veterinary Inspection, an entry permit number (blanket permit for the 2009 Fair is 91-C1432), a negative Tuberculosis test within 60 days of shipment and a negative Brucellosis test within 30 days are required. If lactating goats are entering, their milk must be discarded during any stay in Washington, unless they have been tested for Brucellosis and Tuberculosis.

## **OUT-OF-STATE ALPACAS LLAMAS**

All horses are required to have an ownership inspection (brand) prior to leaving the state of origin.

All swine are required to have a Certificate of Veterinary Inspection and an import permit number, which may be the blanket permit number issued to that Fair.

5. Animals must be removed between 6 pm and 8 pm on Thursday, Sept. 17, 2009.
6. All animals will be inspected by the Fair veterinarian before penning. The assistant superintendent will check in with Fair vet. Check with her for sign-in. No animals with any type of infectious disease will be allowed. The inspection committee and Fair veterinarian have the final say. Certificate of vet check must be turned in to be issued pen assignment and a livestock parking pass.  
**The Puyallup Fair requires that all goats be tagged or tattooed with Scrapie Identification. It is mandatory that animals having partial tattoos shall have accompanying identification papers to present to the veterinarian upon check-in.**
7. **Exhibitor description: All animals registered and owned are under the same ADGA number.**
8. Papers **MUST** be checked by clerks by 2 pm on Tuesday, Sept. 15, 2009.
9. Certificates of registration in the American Dairy Goat Association, the American Goat Society, or the Canadian Goat Society are required on all dairy goats shown. Proof of ownership shall be the name on the registration or recordation certificate, or on the stamped duplicate application. Persons showing animals whose registration/  
recordation certificates have signed transfers that have not been processed by the A.D.G.A. office must show those animals as agent for the owner shown on A.D.G.A. records.
10. Exhibitors need to remember that, due to no milk out, unethical practices that detract from the show ring will be discriminated against by the judge when placing animals.
11. Unlimited entries per class may be shown by an exhibitor. However, premiums will only be paid to the **top two**. No cross entry in Dam and Daughter or Breeder's Trio allowed. Group entries must be listed on entry form. All animals shown in groups must be entered and shown as individuals.
12. All dairy goat handlers will wear whites in the show ring. No shorts may be worn.
13. Handlers are required to wear the correct ring number card for each class entered in the show ring. Ring number cards will be worn on the left arm.
14. As soon as possible upon arrival, please check in your registration papers to the SHOW SECRETARY so the office can get the Judge's List completed before show time. Gate and Livestock parking passes will be handed out at that time. Each exhibitor must check in their own papers. **Substitutions must** be within the same breed and class, and must be made before the day of show. **No class changes after final check-in will be allowed.** An animal will no longer be allowed to enter the show ring if it is not listed on the class sheet when entering the ring. No tattooing will be allowed after unloading. All tattoos must be legible (clearly readable) or animal will be disqualified by inspection committee. **Spot checks** may be made at random in the ring to verify tattoos and ownership.  
**Check your packet! All corrections must be finalized by 4 pm before exhibitors meeting. No corrections in the ring.**
15. No animals other than animals to be shown will be allowed; no nursing does, no bucks, no newborn kids unless born during transport.
16. 4-H dormitories on the Puyallup Fair will be available for use by 4-H State Fair/State FFA Exposition exhibitors and their chaperones ONLY. Open class exhibitors should make

arrangements for accommodations off of the Fair facility.

17. Violations of show rules will be implemented in the form of forfeiture of future showing at the Puyallup Fair. This will also apply to unbecoming behavior as an exhibitor.
18. It is required that all exhibitors have some form of herd identification display, plus exhibitor's name. NOTE: Only 2009 winning Puyallup Fair ribbons, rosettes and awards are to be displayed.
19. **NOTE:** Electrical appliances which draw more than 200 watts and are used for the personal convenience of exhibitors (kettles, coffee pots, space heaters, air conditioners, hot plates, etc.) are not allowed without permission. A costly power failure can result from overloading circuits.
20. **Animals may not be walked on or off the Fair facility** because of serious environmental concerns directly related to animal waste. Any animal (except horses) that cannot be transported in a solid bottom carrier must be removed in a truck, trailer or similar conveyance.
21. **Eating in the Barns vs. E.coli O157:H7 – Exhibitor Cooperation Needed.**

Again this year our barns will not only have signage reminding Fair guests to "Wash your hands upon leaving any livestock area", but also "Please refrain from eating in livestock areas".

The state health department has asked the Fair to request that our livestock exhibitors set an example for Fair guests and refrain from eating in public areas in the barns. In order to accommodate the health department's request, as well as address our exhibitor's needs, we have set aside a good-sized area, screened from public view, in the south end of the Dairy Barn for exhibitors to eat.

## PERFORMANCE AWARD

In order to emphasize the importance of a good balance of conformation and production in the American dairy goat, the Puyallup Fair is offering a production bonus. The award will be based on current DHIA/DGHIA records of no more than 305 days, nor less than 100 days, using % of herd M.E. (percent of herd mature equivalent) herd average (H.A.). The bonus will be paid on premiums earned in animals' individual classes.

100% OF H.A. - 109% OF H.A.	5% BONUS
110% OF H.A. - 119% OF H.A.	10% BONUS
120% OF H.A. AND ABOVE	15% BONUS

The ORIGINAL ILR (Individual Lifetime Record) for each participating animal must be turned in to the show secretary when registration papers are checked upon arrival.

## DAIRY GOAT HERD DISPLAY

To present an attractive display, as well as to educate the public and promote the dairy goat industry, premiums will be awarded to exhibitors. Only 2009 Puyallup Fair ribbons, rosettes and awards are to be displayed. Displays will be judged on the following criteria:

- General Appearance: appeal, neatness, and total picture presented.
- Creativity: use of color, material, and ingenuity of presentation.
- Educational: display should tell a story about the exhibitor's breed or breeds, farm, and commodity.
- Exhibitor: cooperation with other exhibitors and Fair officials, and communication with the public.

Suggestions:

- Have an attractive herd sign and animal identification.
- Equipment and tack boxes painted and in good repair.
- Pictures and posters that promote the goat industry.
