JUNIOR POULTRY VETERINARIAN INFORMATION

A health certificate is NOT required by the Puyallup Fair. The health status of entries will be ascertained at the time of entry, and will continue under the Animal Health Department's surveillance while on the grounds. All entries must be free from visible evidence of infectious, parasitic and contagious diseases when presented, and must remain so while on exhibit. No animal from a quarantined area or premises will be permitted to enter the grounds. The Fair Veterinarian will be the final authority in determination of suitability for exhibition.

Exhibitors should note and respect the potential for exposure to health threatening conditions while at the Fair. Crowding of animals and birds, long distance hauling, and changing environmental conditions are major stresses to which exhibits are subjected. Animals and birds, like humans, have the capability to become recovered carriers of viruses or other infectious agents. Exhibition-imposed stress may cause a recrudescence or reactivation with resulting outbreaks of the disease, as occurs with malaria in humans. The Fair management will do all in its power to protect exhibits while on display.

The exhibitor has important responsibilities prior to the Fair. These responsibilities should be implemented a minimum of three weeks before entering the fair circuit. Vaccinations must be up to date, and an effective parasite control program employed. State-of-the-art prophylactic care is strongly recommended for all animals to be exhibited.

Livestock on exhibit at the Fair are the very best of their species and breed, and must present this image to the viewing public.

PIGEONS / POULTRY

A health certificate is not required by the Puyallup Fair. An inspection will take place at the Puyallup Fair when your animals arrive. Please read the general rules above.

COMPANION ANIMALS PROHIBITED

Animals and birds not intended for exhibition will be denied entry to the Puyallup Fair. Please leave your pet at home for its own protection, with the exception of service animals. They should be properly protected against infectious and communicable diseases as indicated for exhibit animals.

4-H Leader, Pierce County
Field Manager
Mt. View – Edgewood Water Company

Arney Rogers
Auto Body Shop Owner
Roy, WA

NOTE: Election of directors is in November at the annual meeting. If you would like to submit someone's name for consideration for a position on the board, please give it to the show manager.

The objectives and purposes of the Washington Junior Poultry Exposition are to promote Washington state agriculture, economic growth, ecology, and education by providing an opportunity for the youth of Washington to

feature and display for the public poultry-related projects developed by FFA, 4-H and open class exhibitors through club and individual efforts.

The Washington Junior Poultry Exposition thanks the following businesses, organizations and individuals for their support of our program:

Western Washington Fair Association
(The Puyallup Fair / Spring Fair in Puyallup)

Washington Department of Agriculture

Purina Feed

Wilcox Family Farm

Curt Nelson

CALENDAR OF EVENTS

- April 4 Master entry forms must be received.
NO LATE ENTRIES.
Mail to:
Peter Carlson
Washington Junior Poultry Exposition
P.O. Box 2343
Yelm, WA 98597
- April 15 All exhibits will be received at the east end of Barn H between 6:30 am and 9 am. Exhibits will be arranged by management before Fair opens on Thursday at 2 pm.
- April 15 Judging exhibits: poultry, ducks and other exhibits
- April 18 Release at 6:30 pm

JUNIOR POULTRY EXPOSITION RULES AND REGULATIONS

IMPORTANT NOTICE TO POULTRY AND PIGEON EXHIBITORS

Avian influenza is a highly contagious viral disease among all species of birds. Our exhibitors should be advised that the scheduled 2010 Poultry and Pigeon shows may be cancelled if conditions warrant. In the event of a cancellation, entry fees, if applicable, will be refunded.

Exhibitors:

1. During the Fair, ALL vehicles must be off the grounds by 9 am or the vehicle will be towed.
2. All entry cards must be in the Junior Poultry manager's office by April 4, 2010. **No late entries will be accepted.** The show reserves the right to limit entries. Any bill due to the Exposition will be paid before prize money is paid, or will be taken from premiums. Otherwise, exhibitors won't be permitted to show next year until their account is settled.
3. All poultry exhibits must be delivered to the Exposition at the Spring Fair in Puyallup between 6:30 am and 9 am on April 15, 2010. Late entries will not be accepted. Use the Service Gate on 5th Street SW, off of 15th Avenue SW.
4. The Exposition suggests that no more than four birds are put in a crate. Allow plenty of ventilation.
5. Each crate must have a solid bottom and have clean bedding to protect the appearance of the entry. **SOILED OR DIRTY BIRDS WILL BE REJECTED BY SHOW MANAGEMENT. Crates must be removed from the grounds** or they will be disposed of by show management.
6. All exhibitors attending the show must be responsible to a high school agriculture instructor or a 4-H leader. Other interested youth must be responsible to an adult.
7. Instructors and leaders are responsible for the completion and accuracy of entry form. Exhibitors must fill out a master form for each entry. Improper or incomplete entries will be disqualified. Entries will be judged as entered.
8. 4-H Club members and FFA members will not compete against each other, unless there are not five entries in a class/group.
9. Birds must be owned or managed by the exhibitor at least 60 days prior to the show, and must be entered by breed, variety, and sex.
10. All birds must be properly banded before they are delivered to Livestock Barn H. If you have any old bands

or bands on your birds, you may use them. Bands may be purchased at the show for \$1.00 each.

11. An exhibitor will enter only as 4-H, FFA, or other interested youth.
12. Due to cage limitations, each exhibitor will be allowed ten entries. If there are cage openings, exhibitors will be contacted by manager and openings will be filled by order in which entry is received.
13. Sifting committees will inspect all exhibits for proper entry. All birds must pass disease and parasite inspection by veterinarians upon arrival and during the show. Inspect your birds! Clean birds are YOUR responsibility. Diseased birds and birds with lice or mites will be rejected. Dust your birds 14 days before the show. The show management or vet will deny entry to any animal or exhibit they deem unworthy for public display.
14. The Exposition will provide feed and proper care. Feed is the property of Purina Feed Division and the Spring Fair in Puyallup. It is not to be removed from the grounds.
15. Hybrids developed for laying purposes can be entered in the commercial class.
16. All entries will be accepted with the understanding that neither the show organization, nor the Spring Fair in Puyallup or their officers shall be held responsible for any damage or loss that may arise to poultry and other exhibits on exhibition.
17. Bantams described in American Standard of Perfection or American Bantam Association Standard will be allowed. NO HYBRIDS OR CROSSES.
18. Birds must be removed by exhibitor. The Exposition suggests that birds be quarantined for 14 days before re-entering home flocks to eliminate possibility of introducing diseases to home flocks.
19. No sales will be permitted, nor will "FOR SALE" cards be allowed on cages or on Spring Fair in Puyallup property.
20. Conflict resolution must be followed in the order listed below.
 - a. Exhibitor will meet with the show manager (may have parent/guardian present).
 - b. Parent/guardian will meet with show manager with exhibitor present.
 - c. Exhibitor with parent/guardian meets with show manager and a member of manager's board.
 - d. Exhibitor may write a "Letter of Protest". See Penalties and Protests in the premium book.
21. No eggs will be allowed to remain in cages or be saved.

22. INSTRUCTIONS TO JUDGES:

- a. All standard egg production breeds will be entered in Commercial class and judged on basis of

production. Such birds may be dubbed or beaks trimmed. All meat breeds will be graded in USDA grades. Turkey, duck and goose classes shall be judged by the American Standard of Perfection and USDA grades. All birds, excluding Commercial class, pigeons and miscellaneous, must be classified according to American Standard of Perfection or American Bantam Standard.

- b. The judge may consider an entry not worthy of an award.
- c. The following will be considered as a basis of disqualification from show:
 - 1) Improper fitting of entry (exception: Primary and secondary feathers of one wing may be clipped to prevent flight).
 - 2) Incomplete or improper entry.
 - 3) Diseased birds.
 - 4) External parasites.
 - 5) Serious deformities such as crooked neck, deformed beak or humpback.
 - 6) Breeds not listed in American Standard of Perfection or American Bantam Standard.
 - 7) Large Fowl Rumpless Araucana will be judged by A.P.A. standard. Tailed Araucana in Large Fowl will be classified as non-standard. Bantam Araucana will be judged by the latest A.B.A. standard.
 - 8) The show management, vet or judge will deny entry to any animal or exhibit they deem unworthy for public display.
 - 9) Faking.
 - 10) All exhibitors and birds must meet the IAFE National Code of Show Ring Ethics.

AWARDS

23. Checks for Best of Show and Reserve of Show and premium money will be issued as soon as possible.
24. Please specify your age on the entry cards.
25. 4-H ages: Junior - grades 3, 4, 5; Intermediate - grades 6, 7, 8; Senior - grades 9, 10, 11 and 12, or have not reached their 19th birthday before January 1 of the current 4-H year (grade entered in Fall 2009).
26. Lot 1 Junior 4-H
Lot 2 Intermediate 4-H
Lot 3 Senior 4-H
Lot 4 FFA - 9th and 10th Grade
Lot 5 FFA - 11th and 12th grade
Lot 6 Other
Lot 7 Primary 4-H

27. Arrival:

- a. Birds will be received from 6:30 am to 9 am on April 15, 2010.
- b. A Fair veterinarian will be present to inspect birds for diseases and parasites.
- c. Birds will be cooped by class, breed, variety and sex for purebred and commercial poultry.
- d. All exhibitors are required to feed and water their own birds upon arrival or a fee of \$2 per bird will be subtracted from premiums earned.
- e. Do not remove unused cage cards.

CLASSIFICATION FOR STANDARD POULTRY

- Lot 1 Cock
- Lot 2 Cockerel
- Lot 3 Hen
- Lot 4 Pullet

Exhibitors may enter lots 1 through lot 4. Check the American Poultry Association Standard of Perfection and the American Bantam Association Standard of Perfection for classification of breeds (see rules 19 and 22, page 4).

Please list the variety of the breed in the space labeled 'Description' on your entry card.

**WASHINGTON JUNIOR POULTRY EXPOSITION
Animal Project Exhibitor**

COMMITMENT TO EXCELLENCE

1. The purpose of my participation in the Washington Junior Poultry Exposition is to strengthen my own knowledge, ability, and skill as a feeder, manager, trainer, caregiver, and exhibitor of animals, and to develop my sense of responsibility and good character. If my project includes food production animals, my goal is to produce safe and wholesome food.
2. I will do my own project work to the best of my ability.
3. I will not use, or allow to be used, abusive, fraudulent or illegal practices or products in the feeding, care, fitting, training, and showing of my animals.
4. I will not misrepresent my animals or myself in any way.
5. I will read, understand, and follow the rules of animal shows in which I am a participant and ask that my parents, my 4-H leader, and Ag instructors do the same.
6. My animal project is an example of how to accept what life has to offer, both good and bad, and how to live with the outcome. I will treat other people's animals with the same respect and care I give my own animals.
7. I realize that I am responsible for the proper care and safe, humane treatment of my animals. I realize that I am also responsible for demonstrating strong moral fiber and good character as an example to others.
8. I accept that failure to uphold this commitment could result in forfeiture of my right to participate in the Washington Junior Poultry Exposition.
9. I have owned the animals shown for 60 days, except Fryers, which I received from stock from the Junior Poultry Exposition.

PHOTOGRAPHY RELEASE

I hereby grant to Western Washington Fair Association (the "Fair") the irrevocable, assignable, worldwide right and license to use, alter and publish my image, alone or together with other images and text, for Fair publications and for all other purposes reasonably related to promotion of the Fair, in any manner and in any medium now known or later developed, without the need for my prior approval. This release will govern all images of me, whether created before or after the date of this release, unless I notify the Fair in writing that I desire to exclude specific images from this release. I hereby release the photographer and/or videographer and the Fair, its agents and assigns, from all claims and liability relating to the licenses I have granted in this release. This release will not obligate the Fair to use or publish my image or use the rights I have granted. I hereby certify that I am 18 years of age or older and have the right to grant the licenses contained in this release.
