Building Features

The 122,000 square foot AmeriCraft ShowPlex Exhibition & Conference Center is located on the east side of the fairgrounds just inside the Blue Gate entrance near the Centennial Building and Pavilion. This state-of-the-art, multi-function building has the convenience of expansive exhibit space under one roof, all on ground level. The building features high ceilings and oversized service entrances. The attached Conference Center's four high-tech meeting rooms, offering a multitude of uses for events such as seminars, hospitality, receptions and event staging. Ample free parking is located directly across Meridian Street in the Blue Parking Lot, accommodating over 2,100 vehicles.
