DAIRY CATTLE SHOW GENERAL INFORMATION

DIRECTOR IN CHARGE

Dave Schodde

SUPERINTENDENT

Karl Krangnes

MAIL ENTRIES TO:

The Puyallup Fair
Entry Office
110 9TH Avenue SW
PUYALLUP WA 98371-6811

E-mail: pat@thefair.com

(253) 841-5017 (Year 'round)

DAIRY OFFICE – (253) 841-5082

(September 7 – 16)

Dairy Cattle entry forms due Monday, August 23, 2010. Any entries postmarked after August 23 may be assessed an additional \$10.00 per head late fee. The entry fees must accompany entry or they will be returned. The Superintendent has the sole discretion to limit entries to capacity of barn.

ENTRY FEES

Jersey, Ayrshire, Brown Swiss, Milking Shorthorn,
Holstein and Guernsey \$16.00 per head

There is no entry fee for group classes.

ENTRY REQUIREMENTS

All dairy cattle, including animals in the Junior Show, must be entered in and pay entry fee for the Open Show. Junior exhibitors need not **show** in the Open Show. Junior Show animals must **also** enter Junior Show classes, **but need not pay additional entry fees.**

If you are sending money for trailer hook-up with your entry fee, please make **two separate checks** – one for entry fee and one for hook-up.

Entry fees will not be refunded unless cancellation is received by August 31, 2010, or if the Superintendent is presented with a veterinary certificate stating health reason for cancellation.

JUNIOR DAIRY EXHIBITOR SHOWMANSHIP CLASSES

The Puyallup Fair will sponsor showmanship classes for junior exhibitors involved in the Open Dairy Show. The contest, which will include junior exhibitors from all the breeds in that section, will take place once during each section of the Open Dairy Show (see schedule). Classes will be divided in the four following age groups:

- Beginning Showmanship: Under nine years of age before January 1, 2010

- Junior Showmanship: Between nine and 12 years of age
- Intermediate Showmanship: Between 13 and 15 years of age
- Senior Showmanship: No younger than 16, and no older than 20 years of age prior to January 1, 2010

Sign-up for the showmanship classes will take place in the Dairy Office at check-in time. Juniors participating must provide: full name, age, address

Juniors do not need to be the registered owner of the animals used in the showmanship classes. All animals must be entered in the Open Dairy Show.

Premium Schedule #10 will be used for the showmanship classes.

DAIRY CATTLE SHOW SCHEDULE OF EVENTS

Monday, August 23

- All entries due to assure space in barn, and to avoid late charge.

Tuesday, August 31

- All substitutions must be made within the same breed. This is the last date for changes to appear in the show program.

SECTION I

Tuesday, September 7

- 10 pm – All Jersey and Brown Swiss cattle must be in place

Thursday, September 9

- 10 am – 2 pm – Brown Swiss and Jersey Heifer Shows
- 4 pm – 6 pm – All Breed Junior Showmanship Classes
- 6 pm – 9 pm – Jersey Futurity

Friday, September 10

- Noon – 4 pm – Brown Swiss and Jersey Cow Shows

Saturday, September 11

- 6 pm – First section dairy cattle released

SECTION II

Sunday, September 12

- 6 am – All Holstein, Guernsey, Ayrshire, and Milking Shorthorn cattle arrive
- 10 am – All second section cattle must be in place

Tuesday, September 14

- 9 am – Noon – Milking Shorthorn Show
- 1 pm – 3 pm – Ayrshire Show
- 4 pm – 6 pm – All Breed Junior Showmanship Classes

Wednesday, September 15

- 9 am – 10:30 – Guernsey Show
- 11am – 5 pm – Holstein Show

Thursday, September 16

- 6 pm – Second section dairy cattle released

ARRIVAL AND DEPARTURE

First section cattle will not be permitted to enter the facilities before Tuesday, September 7, 2010 at 8 am. If it is necessary for you to arrive at a time other than between 8 am and 10 pm on Tuesday, September 7, you must call Andrea at (253) 841-5074 by September 3 before 4:30 pm with your arrival time so a veterinarian is available to check your animals into the barn. You will be charged a minimum of \$100. **NO** animals will be allowed in the barn unless vet checked.

All dairy cattle in Section I must be in place no later than 10 pm Tuesday, September 7, 2010. All dairy cattle in Section I will be released at 6 pm on Saturday, September 11, 2010, with those traveling the greatest distance released first.

All dairy cattle in Section II should be in place Sunday, September 12, 2010 between 6 am and 10 am. All dairy cattle in Section II will be released at 6 pm on Thursday, September 16, 2010, with those traveling the greatest distance released first.

All exhibitors should make every effort to vacate their stalls as soon as possible after being released to facilitate barn cleaning prior to the arrival of other animals.

DAIRY CATTLE RULES

- **ALCOHOLIC BEVERAGES ARE NOT PERMITTED AT THE PUYALLUP FAIR & EVENTS CENTER, EXCEPT IN DESIGNATED AREAS.**
- Smoking is not allowed in the barns.
- No nurse cows will be permitted at the Puyallup Fair.
- No dogs will be allowed in the Dairy Barn.
- All cattle entered for competition must be made available for special judging contests, if requested by the management. The management will make every effort to insure that animals used in such contests will be properly handled. Class selections for contests will be made by the personnel in charge of those contests.
- For the safety of our exhibitors, it is highly recommended that gas powered washers be used at the Fair instead of washers using electricity.
- Animals may not be walked on or off the facilities because of serious environmental concerns directly related to animals waste. Any animal (except horses) that cannot be transported in a solid bottom carrier must be removed in a truck, trailer or similar conveyance.
- No cooking is allowed in the barns.

**EATING IN THE BARN VS. E.COLI O157:H7 –
EXHIBITOR COOPERATION NEEDED:**

Again this year our barns will not only have signage reminding Fair guests to “Wash your hands upon leaving any livestock area” but also “Please refrain from eating in livestock areas”.

The State Health Department has asked the Fair to request that our livestock exhibitors set an example for Fair guests and refrain from eating in most areas of the barns. In order to accommodate the Health Department’s request as well as address our exhibitors’ needs, we have set aside a good-sized area, screened from public view, in the south end of the dairy barn for exhibitors to eat.

All animals entering the judging ring must have their entry numbers prominently displayed on the person showing the animal.

REGISTRATION

All animals entered for exhibition shall be registered in a recognized breed association, and the exhibitor shall present registration certificates to the Dairy Superintendent at the time the cattle are admitted. All entries must be registered with the association of the breed in which they are to show.

OWNERSHIP

The Fair official shall check all certificates for ownership, age, entry into correct class, and to identify the animal. Ownership shall be determined by the name that appears on the certificate of registration. All entries must be exhibited under ownership of the person, partnership or company whose name appears on the registration papers or by their designated exhibitor. Signed transfer applications will not be accepted as evidence of ownership.

EXHIBITOR/BREEDER

An exhibitor and/or breeder is defined as follows: “Where a herd is registered in the names of different members of a family residing on one farm and where the herd is one unit, all entries may be considered as a single exhibitor for Premier Exhibitor, Premier Breeder, Dairy Herd, Junior Best Three Females, Get of Sire, State Herd and Best Three Females Classes.”

Animals owned in partnership or by a syndicate may be shown in the name of the partnership or syndicate only; except that at time of entry a determination shall be made that such animals will be shown in the name of one partner or syndicate member, and the animals must be shown the same way in the group classes, including State Herd, as they are in the open individual classes.

GROUP CLASSES

In the group classes an exhibitor is defined as: All members of a family or partnership where the cattle are housed on the same farm.

Any animal to be shown in any of the group classes must first be shown in its proper individual class.

Registration papers will be required at ringside for group classes.

TAMPERING

Tampering and Misrepresentation – Any artificial means of removing or remedying the physical defects of conformation in the exhibition of cattle, such as cutting ties or lifting and filling under the skin will be considered as fraud and deception. All animals showing evidence of such treatment will be barred from competition at the Puyallup Fair. Misrepresentation of the age of an animal will be considered in the same light. See Show Ring Code Of Ethics.

PASSES

Each exhibitor will be sent two one-day gate admission passes with their entry confirmation papers. In addition, one pass per day per each five head entered can be picked up from the Superintendent after arrival at the Fair, specifically for use by the exhibitor and/or their herdsmen.

BASE DATES

Base dates for all individual classes shall be March 1 and September 1. Members of groups or herds shall meet the same requirements as for individual classes.

CHAMPIONSHIPS

The competition for Reserve Championship in both sexes shall include the animal winning second place in the individual class which furnishes the Grand Champion, in addition to first prize winners in all other classes.

PREMIER AWARDS

In computing the award for Premier Breeder, credit will be given in all regular single classes. This award will be made to the breeder winning the most points on his/her best six head, including animals bred by him/her and exhibited by others. The award for Premier Exhibitor will be computed in the same manner as Premier Breeder on the top six animals owned by exhibitor. In both cases no more than one of the six animals can be a bull. The calculations will be made on listed premiums and will not include added premiums for production record.

VETERINARY RULES

Please see General Veterinary Information and Cattle Health Requirements in front of this book or, if applicable, the Regulatory Information for Out-of-State Exhibitors.

DORMS

4-H dormitories at the Puyallup Fair will be available for use by 4-H State Fair/State FFA Exhibitors and chaperones, only while participating in the 4-H State Fair or the Washington State FFA Exhibition. Open class exhibitors should make arrangements for accommodations off the facility.

PRODUCTION RECORDS

Records used in figuring Production Bonus and Total Performance must be DHIA OR DHIR records. DHIA test capability is available at the Fair. **Production papers must be presented to the clerks when registration papers are checked to be considered for individual production awards within the individual cow classes.**

HAY, BEDDING, AND GRAIN

The hay and bedding storage shed will not be open to exhibitors. Hay and bedding orders, in writing, must be in your Superintendent's hands before 6 pm to satisfy your requirements for the following day. Hay bales shall not be used for purposes other than feed. Bedding must not protrude any more than 12" past the aisle support post.

All hay and bedding for cattle exhibited in the Dairy Department will be furnished by the Puyallup Fair, free of charge. Grain and other supplies for non-milking animals may be purchased from local suppliers, and orders may need to be placed **a day in advance** of delivery.

CATTLE RELEASE

At posted times of release all livestock exhibits shall be removed to permit clean-out and disinfecting of barns. Early arrivals and holdovers may be accommodated by special arrangements, if conditions allow.

PREMIUMS

Each exhibitor is limited to two premiums per class, except where noted.

PLEASE NOTE: We will no longer require a social security number on your entry form. If it is likely that you will receive \$600 or more in premiums, you must fill out a W-9 form at the Dairy Office at check-in time. If a W-9 is not on file in the Entry Office for anyone winning \$600 or more, a W-9 form will be mailed to you and your premium check will be held until the completed form is returned. **Please make sure the name and social security number listed on the W-9 form is the same as the person receiving the premiums.**

Premium checks will be mailed around the middle of October, barring unforeseen circumstances.

SUGGESTIONS FOR DAIRY CATTLE EXHIBITORS

Every animal exhibited must constantly be kept in the best possible condition. Stalls must be kept clean. The Fair will completely clean out stall and barns between shows, but the exhibitors are responsible for manure pick-up during the time they are at the Fair.

Attractive and informative signs concerning ownership and breeding are encouraged. The Superintendent should be consulted to determine the most desirable location for them. No FOR SALE signs or signs advertising any brand of feed or other commodity will be permitted in the cattle barns.

Every exhibitor should be interested in the Dairy Department being made and kept as attractive as possible. This cannot be done if each exhibitor undertakes to show his cattle in his own way and not in harmony with the entire exhibit.

An exhibitor is unfair to themselves, or the owner of the cattle they are exhibiting, if they do not present their animals in the best of condition at all times. This cannot be

done if a barrel of water, a few bales of hay, and cast-off clothing and unattractive bedding are permitted to interfere with the general appearance of the exhibit.

If you are using grooming chutes, remember that alleyways must be kept clear for Fair visitors. Grooming chutes must be placed in line with the cattle. No special fee will be collected. However, the Superintendent requests that, if an exhibitor is going to use a grooming chute, they indicate their intention at the time they send in their entry so space can be allowed for the chute. We cannot tolerate obstructed alleyways, and it should be the duty of every exhibitor to present their exhibit in the best manner possible. The mess that is evident with the use of grooming chutes must be kept to a minimum.

SHOW RING CODE OF ETHICS

The following Show Ring Code of Ethics, adopted by the Purebred Dairy Cattle Association for all Dairy Breeds will be in effect: (Adopted by PDCA on April 3, 2004)

PDCA endorses this Show Ring Code of Ethics for all dairy breed shows and pledges its full cooperative support for its enforcement to show management, show judges, and the national breed associations.

The application of this Code of Ethics provides for absolute responsibility for an animal's condition by an owner, exhibitor, fitter or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this Code of Ethics. Dairy cattle exhibitors shall at all times deport themselves with honesty and good sportsmanship.

It is recognized that there are certain practices in the proper care and management of dairy cattle that are necessary in the course of moving dairy cattle to and between shows that are advisable to keep them in a sound, healthy state so they might be presented in the show ring in a natural, normal condition. At all times, exhibition livestock shall be treated in a humane manner and in accordance with dairy quality assurance practices so as to protect the health, safety and welfare of the livestock and the consuming public. No person shall present for exhibition or exhibit an animal which he or she knows, or has reason to suspect, is affected with or has been exposed to a dangerously contagious or infectious disease, disease, or illegal or non-approved use of drugs, medication and/or prohibited substance, or residue.

The position of the Purebred Dairy Cattle Association is that all animals presented for exhibition shall be in their natural conformation and structure, free of any alteration or modification by injection or internal or external administration of any substance or by any involvement in unethical fitting.

Grooming and Preparation

Dairy cattle exhibitions are conducted under standards for evaluating conformation established by the PDCA Unified Score Card (1994), with specific breed characteristics taken

into consideration by the show judge. In this connection, animals will be groomed and prepared for the judge's evaluation in order to display the animal's natural contour, conformation, performance and mobility. Specifically:

1. External applications of cosmetics that affect only appearance may be used, including by way of example hoof polishes and false switches.
2. The maximum allowable length of naturally growing hair anywhere on the top line is not to exceed 1". Exhibitors will be required to comply with this rule before the animal is allowed to enter the ring.
3. Addition of foreign objects, including but not limited to hair or hair substitutes, cloth or fiber, to change the natural contour or appearance of the animal's body is prohibited.
4. Externally sealing the teat end with a preparation that does not harm the animal's skin is permissible. Natural teat placement will be given preference over artificially positioned teats.

Violations: False, Deceptive or Unacceptable Practices

These practices are violations of the Code of Ethics and will be reported to show management and may be reported to the respective national breed associations:

1. Misrepresenting the age and/or milking status of the animal for the class in which it is shown.
2. Treating the animal, particularly the udder, internally or externally:
 - a. with an irritant or counter-irritant;
 - b. using a device to artificially create or enhance the udder crease;
 - c. using other substances as detected by testing that causes changes in the udder to artificially improve the conformation;
 - d. plugging of teat canal with foreign substances.
3. Surgical or unethical insertion of any matter under the skin or into body cavities, performed to change the natural contour or appearance of the animal's body (e.g., administration of fluid via a stomach tube or other similar apparatus to fill the rumen), though not to preclude practices required or involved in normal management.
4. Criticizing or interfering with the judge, show management or other exhibitors while in the show ring or other conduct detrimental to the breed or the show.
5. Challenging, threatening or interfering with an ethics committee appointed by show management to monitor the animals on exhibit on the show grounds.

Exhibitor Responsibility

The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter and/or absolutely responsible person (hereinafter referred to as "Exhibitor") for show management to obtain any specimens of urine, saliva, blood, milk, or other substances from the animal to be used in testing. Materials may also be collected by ultrasound and photographic methods, and by direct examination of animal.

The act of entering an animal is the giving of consent by the owner, exhibitor, fitter and/or absolutely responsible person (the "Exhibitor") to have disciplinary action for violation of this Show Ring Code of Ethics taken by show management, the state in which the show occurs, and/or the National Dairy Breed Association without recourse.

Show Ethics Committee

Each show should have an Ethics Committee. The make-up of this committee should include official breed representatives, representative(s) of show management (e.g., dairy cattle show Superintendent, general manager), the official show veterinarian, and extension representative.

The Ethics Committee will be responsible for monitoring violations of the Show Ring Code of Ethics. The Ethics Committee will investigate the report of any violation and determine the accuracy of the allegation. The Ethics Committee will have the authority to inspect animals and related material to determine if violations have occurred.

Violations: Reporting and Investigation

Complaints of alleged violations can be reported to the breed Superintendent, the show Superintendent, show management, and/or the Ethics Committee.

Before An Animal is Shown

If the Ethics Committee suspects that a violation of the Show Ring Code of Ethics will occur if the animal is shown, and that violation is reasonably well established before the animal is shown, the Ethics Committee will submit a report to show management.

Show management will discuss the violation with the Exhibitor:

1. If, at the Exhibitor's discretion, the animal in question is not shown, no violation will have occurred.
2. If the Exhibitor wishes to challenge that a violation occurred, he/she/they will have opportunity to appeal to the Ethics Committee. If its decision is not changed, the Exhibitor will be denied opportunity to exhibit the animal in question.

During and After An Animal is Shown

All animals are subject to examination during judging. The judge and Ethics Committee are instructed to examine the top five (5) animals in each class closely for violations of the Show Ring Code of Ethics. When a violation may have

occurred, a milk-out may be called for. This call may be by breed association rule, or by request of an authorized representative of the National Breed Association, the judge, the Ethics Committee, or show management.

If an animal is exhibited and a violation of the Show Ring Code of Ethics is subsequently suspected, investigated, and determined to have occurred, the violation will be reported to the Ethics Committee and show management for action. The Exhibitor will be notified of the violation and the supporting evidence, and invited to defend or explain the allegations.

Violations are subject to the disciplinary provisions of show management, the state in which the show occurs, and the National Dairy Breed Association. Sanctions may include any one, or a combination of the following:

- Forfeiture or return of awards, prizes, premiums or proceeds;
- Written letter of reprimand to the owner, exhibitor, fitter and/or absolutely responsible person (the "Exhibitor");
- Disqualification of the exhibition livestock from an exhibition;
- Disqualification of the exhibitor from the show;
- Publication of offense.

Disqualification may include any or all shows and classes, and may be for any number of years.

TRAVEL BONUS

To encourage exhibitors through the western United States and Canada to exhibit dairy cattle at the Fair, the Puyallup Fair will offer a travel bonus to any exhibitor or exhibitor unit that meets the following criteria:

1. The maximum number of head for which any exhibitor will be paid a travel bonus is ten (10) head per exhibitor. There will be no minimum number required.
2. Any exhibitor inside or outside of the state of Washington shall qualify for the travel bonus.
3. The exhibitor must apply for the travel bonus at the Dairy Cattle Office at check-in time. A form will be filled out which must include name of exhibitor, farm name, address, number of head (up to 10 only) and the entry numbers of the head you are claiming. If you have made arrangements with another exhibitor to haul his animals in exchange for his travel bonus, you must list his name and the entry numbers of his animals on the form along with your own (the total claimed may still only be 10 head).

Travel bonus payments will be allotted on the following scale:

Zone	\$ Per Head	Max. Allowed
Within WA State.	\$15.00	\$150.00
Out of WA State and under		
300 miles from Puyallup.	\$15.00	\$150.00
301 to 500 miles	\$20.00	\$200.00
501 to 700 miles	\$25.00	\$250.00
701 to 900 miles	\$30.00	\$300.00
900 or more miles.	\$35.00	\$350.00

All mileage based on distance to Puyallup

IMPORTANT

If you wish to apply for the travel bonus, when you check in, request and complete a Travel Bonus Form, indicating the number of miles you traveled to the Fair (please be accurate), the number of your own head you are exhibiting and the entry numbers of your animals. It is your responsibility to make sure this information is accurate and submitted to the Dairy office.

BEST EXHIBIT

In lieu of a Herdsmanship Award, a "Best Exhibit" contest has been instituted. The Best Exhibit awards will be based on the following:

General appearance: Eye appeal, neatness, total picture presented, coordination of theme and showmanship.

Creativity: The use of color, material, ingenuity of presentation.

Educational: The display should tell a story about the exhibitor's breed of cattle, or the exhibitor's farm or breeding program, or a commodity (beef products or dairy products).

Herdsmanship: The upkeep of the display and cattle and cleanliness of total area and equipment.

Exhibitor: Cooperation with fellow exhibitors and Fair officials, and be willing to answer questions and meet the public.

Suggestions: Each display should include an attractive farm sign, animal identification and a small booth (optional). Equipment and tack boxes should be painted and in good repair. Pictures and posters can be used to tell the story the exhibitor wishes to convey.

SCORING SYSTEM:

General Appearance:	15%
Creativity:.....	10%
Educational:	10%
Herdsmanship:.....	50%
Exhibitor:	15%
Total.....	100%

The following cash awards will be offered:

First Place.	\$100.00
Second Place	\$ 75.00
Third Place.	\$ 50.00
Meritorious Award (up to 3 may be awarded)	\$ 25.00

MILKING PARLOR PROCEDURES

Milking facilities at the Fair are Grade A and state inspected. Milk will be checked for antibiotics. A violation of the P.M.O. (pasteurized milk ordinance) will result in forfeiture of all premiums. Any exhibitor causing such violation will be prohibited from future exhibition at the Fair.

The parlor is maintained during the Fair to provide a safe, convenient and orderly solution to the milking requirements, and to afford the visitor an opportunity to see how milk is produced. Every effort is being made to present the dairy industry at its best. In a variety of ways, we are telling the dairy story. Please assist us in this endeavor by your full cooperation with milking schedules, and by presenting your animals in such a manner as to produce the best possible public appearance.

Please note:

Because of the high costs for hauling, combined with the low price paid for the milk picked up at the Fair, you will not be compensated individually for your milk. Instead, what money is received for the milk will be divided between the three youth programs: 4-H, FFA and Junior Poultry.

The Fair will furnish dairy feed for use in the Milking Parlor. Please use it fairly and without waste. It is your responsibility to sanitize your utensils before use. Facilities for this process are provided.

All milking cows receiving medication **MUST** be identified with indicator leg bands. These can be obtained at no charge from the Fair Veterinarian Office.

ALL BREEDS JUNIOR SHOWMANSHIP

ALL BREEDS JUNIOR SHOWMANSHIP RULES

The Puyallup Fair will sponsor showmanship classes for junior exhibitors involved in the Open Dairy Show. The contest, which will include junior exhibitors from all the breeds in that section, will happen once during each section of the Open Dairy Show (see schedule). Classes will be divided into four age groups.

Sign-up for the showmanship classes will take place in the Dairy Office at check-in time. Juniors participating must provide: full name, age, address.

Juniors do not need to be the registered owner of the animals used in the showmanship classes. All animals must be entered in the Open Dairy Show.

Prize Schedule #10 (page 20) will be used for the showmanship classes with 10th place money extended to all entrants.

In the event that there is a national or regional show where the Breed Association sponsors showmanship classes, the junior exhibitors from that breed will not be eligible for the Puyallup Fair-sponsored showmanship classes.

AYRSHIRE SHOW RULES

The Ayrshire Breeder's Association and/or its designated representative reserve the right to blood type all show class winners at the national dhow, state fairs or state shows.

They will blood type on a spot check basis, high placing animals at the four national regional or state shows. Each year one or more shows will be selected at random. (The Association will stand the blood typing costs.)

The objectives of the blood testing are to validate the parentage of, and give credibility to those animals gaining national attention and recognition. Samples must be taken before animals leave the exhibition grounds, or the breeder will be required to provide the sample by a licensed veterinarian at their expense.

AYRSHIRE SHOW • CLASS DESCRIPTIONS

CLASS

110. JUNIOR HEIFER CALF: Born 3-1-10 and over four monthsPrize Schedule #1

BROWN SWISS SHOW DEFINITIONS AND SPECIAL RULES

- A. Exhibitor and breeder are defined as follows: Where a herd is registered in the names of different members of a family residing on one farm and where the herd is one unit, all entries may be considered as a single exhibitor for Junior Best Three Females and Best Three Females classes. Partnership bred animals, outside the family, cannot be used in either Best Three Females class.
- B. For an exhibitor to be eligible to show an animal, the title of ownership by the exhibitor shall show on the Certificate of Registry at the time of the exhibition.
- C. As outlined in the PDCA Show Ring Code of Ethics, if a National Show judge should bring to the attention of the Brown Swiss Association staff possible unethical practices related to Brown Swiss cattle exhibited at a National Show, Brown Swiss Association staff will consult with Show Management as to the proper steps to be taken.
- D. Any animal sold or exhibited as registered by the Brown Swiss Cattle Breeders Association can be blood/DNA typed at the discretion of the Executive Secretary. All expenses to be paid by the Brown Swiss Cattle Breeders Association.
- E. All cows placing 1st and 2nd plus one selected randomly in each class will submit to an ultra sound.

BROWN SWISS SHOW • CLASS DESCRIPTIONS

CLASS

210. SPRING HEIFER CALF: Born after 2-28-10 and over four months of age by show day.....Prize Schedule #1

213. SUMMER YEARLING HEIFER: Born after 5-31-09 and before 9-1-09.....Prize Schedule #1

214. SPRING YEARLING HEIFER: Born after 2-28-09 and before 6-1-09.Prize Schedule #1
216. WINTER YEARLING HEIFER: Born after 11-30-08 and before 3-1-09.Prize Schedule #1
217. FALL YEARLING HEIFER: Born after 8-31-08 and before 12-1-08.Prize Schedule #1
218. JUNIOR CHAMPION AND RESERVE JUNIOR CHAMPION FEMALE – 1st and 2nd place winners from classes 210–217.
219. JUNIOR BEST THREE FEMALES – Three animals under two years of age none of which have freshened. All three animals must have been bred by exhibitor and at least one owned. A limit of one entry per exhibitor.....Prize Schedule #4
220. DRY COW, THREE YEARS AND OVER: Born before 9-1-07.....Prize Schedule #11
221. SENIOR YEARLING IN MILK: Born after 8-31-08. (Best Udder in Class) ...Prize Schedule #2
222. JUNIOR TWO-YEAR-OLD: Born after 2-29-08 and before 9-1-08. (Best Udder in Class).....Prize Schedule #2
223. SENIOR TWO YEAR OLD: Born after 8-31-07 and before 3-1-08 (Best Udder in Class).....Prize Schedule #2
224. JUNIOR THREE YEAR OLD: Born after 2-28-07 and before 9-1-07. (Best udder in class)Prize Schedule #2
225. SENIOR THREE YEAR OLD: Born after 8-31-06 and before 3-1-07. (Best udder in class)Prize Schedule #2
226. INTERMEDIATE CHAMPION AND RESERVE INTERMEDIATE CHAMPION FEMALE – 1st and 2nd place winners from classes 221–225.
227. FOUR YEAR OLD: Born after 8-31-05 and before 9-1-06. (Best Udder in Class).....Prize Schedule #2
228. FIVE YEAR OLD: Born after 8-31-04 and before 9-1-05. (Best Udder in Class).....Prize Schedule #2
229. AGED COW, SIX YEARS AND OVER: Before 9-1-04 (Best Udder in Class) ...Prize Schedule #2
230. COMPONENT MERIT COW: Lifetime production of at least 7,500 lbs. combined fat and proteinPrize Schedule #2
231. BEST THREE FEMALES – Any three females. At least one must have freshened, the other two can be any age, all must be bred by exhibitor and at least one owned. One entry per exhibitor.....Prize Schedule #4

232. PRODUCE-OF-DAM – Two animals, any age, the produce of one cow which must be named on entry form. They need not both be owned by one exhibitor. One entry per exhibitor from same damPrize Schedule #4
233. EXHIBITORS HERD – Five females, all owned by exhibitor. Two must have freshened, two un-freshened and one of any age. One entry per exhibitorPrize Schedule #4
234. NASCO TYPE & PRODUCTION
 AWARD: A trophy to be awarded to the cow with the greatest Energy Corrected Milk (ECM) in the milking classes, not to include dry classes. The winning cow must place in the top 5 if 20 cows or fewer are shown or in the top 20% if more than 20 cows are shown. Exhibitors are responsible for furnishing verification of record (the official DHI record report form or a statement giving the record, signed by the official DHI supervisor) at the time the entries are checked in by the Cattle Superintendent. This award will be presented in designated National Shows and is sponsored by Nasco, Ft. Atkinson, WI.
237. TOTAL PERFORMANCE:
Awarded to one cow only. This class will recognize a cow on her TOTAL performance – milk production and show ring placing. Her total score will be determined by: (1) Placing in her respective class; (2) her highest 305 day, 2x Energy Corrected Milk (EMC) record; and (3) the total pounds of EMC produced per day over 24 months of age up through July 1, 2010. (Up-to-date production through July 1, as reported on the monthly DHI report, should be supplied by exhibitor two weeks prior to show day.) The requirements a cow must meet to qualify for the Total Performance class are as follows:
 (1) Born before September 1, 2005;
 (2) Completed three lactations by July 1, 2010; (3) Possess at least one official DHI record in 305 days, 2x of at least 20,000 lbs. of milk or 800 lbs of butterfat or 700 lbs. of protein, (4) Place in the top 50% of her respective class (top five if less than ten in a class).Prize Schedule #5

238. SENIOR CHAMPION AND RESERVE SENIOR CHAMPION – 1st and 2nd place winners of classes 227–230.
239. GRAND CHAMPION AND RESERVE GRAND CHAMPION FEMALE: Intermediate and Reserve Intermediate Champion, Senior and Reserve Senior Champion plus the Junior and Reserve Junior Champion.
- The Parade of Champions will take place after the Grand Champion of the Junior Show is announced. The parade will be led by the Total Performance winner, followed by the first and second place animal in each cow class, older cows to younger cow classes, ending the parade with the Junior Champion and Reserve Junior Champion females. Once the animals are lined up, the Senior Champion and Reserve Senior Champion will be named, then the Grand Champion and Reserve.
242. PREMIER BREEDER – An award to be made to the breeder of not more than six animals accumulating the most points in the open individual classes, including animals bred by him but exhibited by others.
243. PREMIER EXHIBITOR – An award to the exhibitor accumulating the most points on not more than six animals owned and exhibited by him in the open individual classes.
245. PRODUCTION BONUS –
Do not enter this class on entry form.
 Exhibitor must submit lactation certificate to the dairy clerks to be recorded on the check-in sheets. Must be the most recent DHIA or DHIR record, or that which is in progress and not less than sixty daysPrize Schedule #14

2010 NORTHWEST NATIONAL BROWN SWISS JUNIOR SHOW

JUDGING HEIFERS

Thursday, September 9 at 10 am

Scottsville, KY

BROWN SWISS JUNIOR SHOW SPECIAL RULES

JUNIOR EXHIBITORS

At each National Brown Swiss Show special recognition is given to each junior exhibitor. Juniors showing in the open division classes are recognized at the conclusion of each class.

Junior show classes will follow the same order and age breaks as the open show class schedule, with the deletion of all group classes. Juniors will show with the Open Class animals and simply step forward to be judged as a junior entry.

All junior exhibitors will enter the Open Show classes in addition to the Junior Show classes and pay the standard entry fee per animal as set by the Puyallup Fair.

This makes all junior show animals eligible to show in the open division and to receive any premiums and travel moneys awarded therein.

JUNIOR ELIGIBILITY RULES

1. Junior must have been at least 9 by January 1, 2010, and not yet 20 by the same date. Thus, a person must have been born during the years 1990 through 2000.
2. For an animal to be exhibited as Junior owned, the animal must be registered in the juniors name prior to the animal's second birthday. If an animal is purchased by a junior member, after the animal is two years old, that animal must have been owned by the junior member for at least one year, based on the sale date, before it can be shown as a junior owned animal. Animals that are leased through the National Brown Swiss Association Lease Program are also eligible to be shown by juniors. Partnerships are not allowed, nor are animals owned by the farm.
3. The junior who owns or leases the animal is to show her. If the owner cannot attend the show, another

National Brown Swiss Association Junior Member of the same age or younger may show the animal. Also, in a class where a junior member owns more than one animal, the owner must show one animal, another National Brown Swiss Association Junior Member of the same age or younger may show the second animal.

4. At National Brown Swiss Junior shows, a National Office representative will check junior eligibility.

BROWN SWISS AWARDS PRESENTED AS FOLLOWS:

1. First, second, and third place ribbons will be given in each of the 17 female classes.
2. A special rosette will be given to Junior Champion & Reserve, Senior Champion and Reserve, Grand Champion and Reserve.
3. Juniors also receive production awards based on the highest 305d, 2x, ECM record. Production records must be sent to and received by the National Brown Swiss office two weeks prior to show day. These awards are provided for a junior- owned animal in each of the following classes. Junior & Senior Three-, Four-, and Five-Year Old, Aged, Component Merit, and Dry Cows.
4. Shirts will be provided to each junior before the show and must be worn by the junior during the show.
5. All cows placing 1st and 2nd plus one selected randomly in each class will submit to an ultra sound.
6. The Washington Brown Swiss Association will award junior exhibitors the following premiums:

Placing	1st	2nd	3rd	4th	5th
Premium	\$20	\$17.50	\$15	\$12.50	\$10

SEPTEMBER 9 AT 6 PM**

To be eligible, animals must have been entered with the Futurity Secretary. This event will be held at 6 pm Thursday, September 9, 2010 in the Large Show Arena.

The Puyallup Fair will offer \$500 to the futurity. That money will be added to the balance of the purse. The money will be divided as follows:

1st place – 33% of the purse

2nd and 3rd place – will split 33% of the purse.

The remainder of the class will share the balance of the purse.

The exhibitor of the first place animal in the futurity has the option of showing that animal in the correct age group class or competing directly for Intermediate or Senior Champion depending on whether the animal is by age a Junior or

Senior Three Year Old. This decision must be made and reported to the Superintendent by 9 am on September 9.

If the owner of the first place Futurity winner chooses not to show in the age group class, he will be awarded 1st place points for Premier Breeder and/or Premier Exhibitor. If the owner chooses to show the animal in the age class, points will be given for whatever placing they earn in that class.

The following awards will be offered:

Futurity Winner – Eustis Model Cow Trophy

Highest placing entry owned & exhibited by a youth – Wilsonview Farm Trophy

Highest Production award: based on 305 or less actual – highest protein record completed.

The Futurity Committee requests that all showmen in the Futurity wear whites.

All correspondence regarding the futurity should be directed to:

JUNIOR JERSEY SHOW RULES

Eligibility: Junior exhibitors no younger than 6 years of age and no older than 20 years of age on January 1, 2010 are eligible to exhibit in the Junior Jersey Show. U.S. residents must be members (junior or lifetime) of the American Jersey Cattle Association.

Entries: All animals entered must be registered in the Herd Register of the American Jersey Cattle Association or the Canadian Jersey Cattle Club. The exhibitor must be listed as Recorded Owner on the registration certificate, either (1) as the sole owner or (2) in a partnership or joint ownership. If the joint ownership includes more than one eligible exhibitor, one of them must be declared as the exhibitor during check-in.

In addition, animals that are part of a junior exhibitor's project but not registered in the junior exhibitor's name are eligible for the junior show if an affidavit clearly identifying the animal as part of the exhibitor's project is signed by either the exhibitor's 4-H leader or FFA advisor. Affidavits must be submitted at time of check-in.

Participation: Animals must be shown by the junior exhibitor or another eligible junior.

Classes: Junior show classes will follow the same order and age breaks as the open show class schedule, with the deletion of all group classes.

Showmanship: Showmanship classes will be divided by age group. See the All Breed Junior Showmanship information on page 9.

All junior show entries must be designated as such at the time of pre-registration to assure eligibility and must submit name and address to ensure payment of premiums.

All junior exhibitors will pay the standard entry fee per animal as set by the Puyallup Fair.

This makes all junior show animals eligible to show in the open division and to receive any premiums and travel moneys awarded therein.

The Board of Directors of the American Jersey Cattle Association has authorized support for the Junior Show. \$750 will be divided equally among each junior who exhibits an animal and will be paid directly to the exhibitors by the American Jersey Cattle Association. Also, the AJCA will sponsor a special award for the exhibitor of the Premier Performance Cow, to be calculated according to the rules used at the All American Jersey Show.

JUNIOR JERSEY SHOW • CLASS DESCRIPTIONS

CLASS

- 550. JUNIOR HEIFER CALF:
Born 3-1-10 and over four months
- 551. INTERMEDIATE HEIFER CALF:
