ATTENTION!!

ALL BEEF EXHIBITORS

The following items are important rules and information you need to be aware of for the 2010 Fair.

All feed and grain must be kept in the stall area. The hay and straw storage shed will not be open to exhibitors. Please order hay and straw in writing from your superintendent before 6 pm for the following morning's requirements. Hay and straw bales should not be used for purposes other than feed and bedding.

1. All extension cords used in the barn must be 14 gauge or heavier.
2. No calves shall be entered with birth dates later than April 30, 2010 unless breed so states.
3. Any cow nursing a calf which is not her own is considered a "nurse" cow. See Beef Cattle General Rules.
4. A Social Security Number will no longer be required on the entry form. If an exhibitor is likely to earn over \$600 in premiums, a W-9 form must be filled out by that exhibitor and turned into the beef office before the end of their show. A W-9 will be mailed to those exhibitors who earn over \$600 and don't have a W-9 on file in the entry office. Premiums will be withheld until a completed W-9 form is received in the Entry Office (this is a requirement from the IRS.) Canadian exhibitors are required to complete form 8233 before premiums can be paid.
5. If you wish to compete in any group classes, you must enter those classes on the entry form. It is not necessary to include which animals are to be entered in the group class. No entry fee for group classes.
6. Each exhibitor is limited to two premiums per class.
7. Junior exhibitors must be the sole registered owner of their animals to qualify for premiums in the junior show, unless otherwise specified by specific breed association rules, with the exception of Pee Wee Showmanship.
8. JUNIOR ANGUS EXHIBITORS must include their American Angus Association Member Code and birth date in order to receive additional premiums offered for breed classes by the American Angus Association.
9. If you are unable to show after you have entered your animal, please notify the Entry Office, (253) 841-5074 immediately.
10. Animals must be shown by single individual in all classes except group classes.
11. All junior shows must have at least 10 exhibitors to qualify for premium money. The Fair will limit matching premiums to \$750 for each junior show.

12. THERE WILL BE NO NIGHT TIE-OUTS.
13. Shavings will be used for all bedding in the Beef Barn.
14. Cattle must be out of the barn by 8:30 pm on release nights.
15. No butt fans will be allowed.
16. **No smoking or alcoholic beverages are allowed in the barns.**
17. Animals may no longer be walked on or off the grounds because of serious environmental concerns directly related to animal waste. Any animal (except horses) that cannot be transported in a solid bottom carrier must be removed in a truck, trailer or similar conveyance.
18. Electrical appliances which draw more than 200 watts and which are used for the personal convenience of exhibitors (kettles, coffee pots, space heaters, air conditioners, hot plates, etc.) are not allowed without permission. Please check with your superintendent. A costly power failure can result from overloading circuits.
19. All out-of-state cattle will need a brand slip issued by a brand inspector.
20. All in-state cattle will need to have a haul slip filled out.
21. No cooking is allowed in the barns.
22. **EATING IN THE BARN VS. E. COLI O157:H7 – EXHIBITOR COOPERATION NEEDED.**
This year our barns will not only have signage reminding Fair guests to "Wash your hands upon leaving any livestock area", but also "Please refrain from eating in livestock areas".

The State Health Department has asked the Fair to request that our livestock exhibitors set an example for Fair guests and refrain from eating in most areas of the barns. In order to accommodate the Health Department's request, as well as address our exhibitors' needs, we have set aside an area, screened from public view, in the south end of the dairy barn for exhibitors to eat.

ENTRY REQUIREMENTS

Showing less than 30 head of any breed in a given year may be grounds for elimination from the show schedule the following year.

All beef animals, including animals in the junior show must be entered in and pay entry fee for the open show. Junior show animals must also enter junior show classes, but need not pay an additional entry fee to the Fair. A fee may be charged by the junior associations. Do not send association fees to the Fair office. Animals must be entered in junior's name.

Entries will not be accepted unless accompanied by entry fees.

Entry fees will not be refunded unless cancellation is received by Monday, August 23, 2010, or if superintendent is presented with a veterinary certificate stating health reason for cancellation.

Substitutions within same breed must be cleared through the Fair department superintendent. Substitutions must be received Monday, August 23, 2010 in order to appear in the show program.

Grand champion heifer and bull in each breed will receive a prize of \$25.

ALL CATTLE MUST BE VET CHECKED BEFORE ENTERING BARN. REGISTRATION PAPERS MUST BE CHECKED IN AT BEEF OFFICE.

BEEF CATTLE RULES

1. EATING IN THE BARN VS. E. COLI O157:H7 – EXHIBITOR COOPERATION NEEDED

Our barns have signage reminding Fair guests to “Wash your hands upon leaving any livestock area”, as well as “Please refrain from eating in livestock areas.”

The State Health Department has asked the Fair to request that our livestock exhibitors set an example for Fair guests and refrain from eating in most areas of the barns. In order to accommodate the Health Department’s request, as well as address our exhibitors’ needs, we have set aside an area, screened from public view, in the south end of the dairy barn where exhibitors may eat.

2. Exhibitors are requested to have stalls and cattle ready by 8 am for opening of the Fair each day. Only two head from a string may be tied to the wash rack at one time.
3. Any cow nursing a calf which is not her own is considered a nurse cow, and not permitted. Only cow-calf pairs are allowed for special shows. The calf must be eligible for entry in the individual class.
4. The hay storage shed will not be open to exhibitors. Please order hay in writing from your superintendent before 6 pm for the following morning’s requirements. Hay bales should not be used for purposes other than feed. All hay and bedding for cattle exhibited in the cattle department will be furnished by the Fair, free of charge.
5. No 4-H dorm space will be available to open class exhibitors.
6. No dogs are permitted in the Beef Barn.
7. Animals must be shown by a single individual in all classes, except group classes.
8. All cattle must be double tied while in stalls (halter plus neck rope).
9. All animals entered for exhibition shall be registered in a recognized breed association, and the exhibitor shall present registration certificates to the Beef superintendent at the time the cattle are admitted.

All entrants must have current and valid registration in the breed association sponsoring the show in which they are to participate.
10. The Fair officials shall check all certificates for ownership, age, correct entry in class, and identification of the animal when cattle arrive at the Fair. Animals with incorrect or illegible tattoos will be barred from showing. Tattooing will not be allowed on Fair property. All exhibits must be exhibited under ownership of the person(s), partnership or company whose name appears on the registration papers. Signed transfer applications will not be accepted as evidence of ownership.

11. Any animal to be shown in any of the group classes must first be shown in its proper individual class.
12. An exhibitor is defined as: Any person or partnership in whose name cattle are registered. This shall include individual members of a family.
13. Each exhibitor is limited to two (2) premiums per class, except where noted.
14. In the group classes, an exhibitor is defined as: All members of a family or partnership where the cattle are housed on the same farm.
15. Tampering and Misrepresentation: Any artificial means of removing or remedying the physical defects or conformation in the exhibition of cattle, such as cutting ties or lifting and filling under the skin will be considered as fraud and deception. All animals showing evidence of such treatment will be barred from competition at the Puyallup Fair. Misrepresentation of the age of an animal will be considered in the same light.
16. All animals entering the judging ring must have their entry numbers prominently displayed on the person showing the animal.
17. Bulls over one year old must be shown with a nose lead.
18. Each exhibitor will be sent two (2) one-day gate admission passes with their replay letter. In addition, one pass per day per each five head entered can be picked up from the superintendent after arrival at the Fair for use by the exhibitor or their herdsman.
19. The competition for reserve championship in both sexes shall include the animal winning second place in individual class which furnishes the grand champion, in addition to the first place winners in all other classes.
20. In computing the award for Premier Breeder, credit will be given in all regular single classes. This award will be given to the breeder winning the most points on his best six head; including animals bred by him and exhibited by others. In case of a tie, the exhibitor with the most champions will be the winner.
21. The award for Premier Exhibitor will be computed in the same manner as Premier Breeder on the top six animals owned by exhibitor. The calculations will be made on listed premiums. In case of a tie, the exhibitor with the most champions will be the winner.
22. See Cattle Health Requirements in front of this book for exhibitors from Washington state.
23. Out-of-state exhibitors should read the Cattle Health Requirements, as there is a section applying specifically to out-of-state exhibitors.
24. If you can't handle your cattle, please leave them home.

NOTE TO CANADIAN EXHIBITORS

(This information will apply when the border restrictions are lifted)

For show purposes, Canadian cattle, beef or dairy must comply with Washington's import requirements. Non-vaccinated Canadian cattle may enter the Fair. The Brucellosis and Tuberculosis tests are no longer required on Canadian cattle. Exhibitors should check with Agriculture Canada to determine most current requirements affecting their return to Canada from the Fair. A valid health certificate and entry permit must accompany shipments of all classes of cattle into the state of Washington. Entry permit 91-C1432 may be used on all Canadian shipments coming to the Fair. This number is to appear on the health certificate accompanying the cattle. There is a 30-day limit on Canadian cattle using this entry permit.

SUGGESTIONS FOR EXHIBITORS

Every animal exhibited must constantly be kept in the best possible condition. Stalls must be kept clean. The Fair will furnish sufficient help to remove manure from the barns to prevent an accumulation.

Attractive and informative signs concerning ownership and breeding are encouraged. The superintendent of the Beef Barn should be consulted to determine the most desirable location for them. No "FOR SALE" sign, or signs advertising any brand of feed or other commodity will be permitted in the cattle barns.

Every exhibitor should be interested in keeping the Cattle Department as attractive as possible. This cannot be done if each exhibitor undertakes to show his cattle in his own way, and not in harmony with the entire exhibit. All exhibitors are requested to have stalls and cattle ready by 8 am for the opening of the Fair each day.

An exhibitor is unfair to himself, or the owner of the cattle they are exhibiting, if they do not present the animals in the best of condition at all times. This cannot be done if a barrel of water, a few bales of hay or straw, and a lot of cast-off clothing and unattractive bedding are permitted to interfere with the general appearance of the exhibit.

Recently, blocking or grooming chutes have come into general usage. As alleyways must be kept clear for Fair visitors, a grooming chute must be placed in the clip chute area. No special fee will be collected. However the superintendent requests that, if an exhibitor is going to use a grooming chute, he indicate his intention at the time he sends his entries so space can be allowed. We cannot allow obstructed alleyways, and it should be the duty of every exhibitor to present their exhibit in the best manner possible. The mess that is evident with the use of grooming chutes must be kept to a minimum.

TRAVEL BONUS

To encourage exhibitors through the western United States and Canada to exhibit cattle at the Puyallup Fair, the Fair will offer a travel bonus to any exhibitor or exhibitor unit that meets the following criteria:

1. The maximum number of head for which any exhibitor will be paid a travel bonus is ten (10) head per exhibitor. There will be no minimum number required.
2. Any exhibitor inside or outside of the state of Washington shall qualify for the travel bonus.
3. The exhibitor must apply for the travel bonus at the Beef Show office at check-in time. Fill out a form that includes name of exhibitor, farm name, address, number of head (up to 10 only), and the entry numbers of the head you are claiming. If you have made arrangements with another exhibitor to haul their animals in exchange for their travel bonus, you must list their name and the entry numbers of their animals on the form, along with your own (the total claimed may still only be 10 head).

Travel bonus payments will be allotted on the following scale:

Zone	\$ Per Head	Max. Allowed
Within the state of Washington	\$15.00	\$150.00
Out of Washington and under 300 miles from Puyallup	\$15.00	\$150.00
301 to 500 miles	\$20.00	\$200.00
501 to 700 miles	\$25.00	\$250.00
701 to 900 miles	\$30.00	\$300.00
900 or more miles	\$35.00	\$350.00

All mileage is based on distance to Puyallup.

IMPORTANT

If you wish to apply for the travel bonus, when you check in, request a travel bonus form. Fill it out indicating the number of miles you traveled to the Fair (please be accurate), the number of your own head you are exhibiting, and the entry numbers of your animals. It is your responsibility to make sure this information is accurate and turned in to the office.

PUYALLUP ANGUS CLASSIC

JUDGING

Sunday, Sept. 12, 2010 – 12:30 pm

JUDGE

Shane Bedwell – Ft. Collins, CO

ANGUS SHOW RULES

The American Angus Association, 3201 Frederick Avenue, St. Joseph, Missouri, will participate in premiums offered for open class Angus breeding cattle classes according to the premium schedule based on the number of head shown. The premium assistance provided by the American Angus Association for participation in this show is in addition to the premiums offered by the show itself. The premium assistance should not be used to offset show expense, and shall be included in the premium payments distributed by the show to the exhibitors.

A minimum of 50 head must be shown in the open class division to receive American Angus Association premium participation for the following year.

Premiums from the Association are paid only to registered Angus cattle, and only if the registration number is a part of the show report provided to the Association. All cattle should be registered at the time of entry to make certain they receive the Association's portion of premiums. The Association does not pay on championship or any group classes, (i.e. get-of sire, junior get-of-sire or breeder six-head).

Exhibitors must have the original registration certificate on each animal available for inspection at the show. ELECTRONICALLY STORED REGISTRATION CERTIFICATES ARE NOT ACCEPTED – ONLY THE ORIGINAL CERTIFICATES ISSUED BY THE AMERICAN ANGUS ASSOCIATION. Any animal, upon check-in, which does not have a legible permanent identification mark (ear tattoo marks, freeze-branded marks or hot-branded marks) corresponding to the permanent identification mark on the registration certificate, is ineligible to show. Once disqualified due to an incorrect or illegible permanent identification mark, animals cannot be re-tattooed and rechecked at the show.

Any female shown with a calf at side, the calf must be the cow's most recent natural calf, and the calf must be registered by show date and have the original registration certificate at check-in.

Only one person at a time shall lead animals into the show ring.

Exhibitors who participate in shows that accept premium monies contributed by the American Angus Association are subject to the Association rules, as found in the Breeders Reference Guide of the Association. These rules are found in Part 2, Association Rules. The rules relating directly with the exhibition of Angus cattle are Part 2: Association Rules; Rule 800 series; including Rules 800-811. These rules can be found at www.angus.org.

Altering the conformation and/or appearance of an animal for exhibition is prohibited. This includes the covering of white skin, false tail heads (or use of any false hair), with the exception of false tail switches. The use of graphite, powders, hemp or other similar substances used externally are also prohibited. Other prohibited products include those used internally such as steroids, illegal or unlicensed pharmaceuticals or artificial filling. Any animal found to be in violation will be barred from showing.

At any show for which the American Angus Association appropriates funds toward the payment of premiums, no exhibitors, individuals assisting exhibitors, or member owners at such show shall be allowed to use any coloring agents, on any animal exhibited. The Association may adopt and implement various tests designed to monitor this prohibition, including but not limited to a "white towel" or "white gloves" test. No aerosol cans or other pressurized containers will be allowed in designated make up areas.

All animals exhibited are subject to DNA marker or blood type test to verify accuracy of parentage as covered under the Association Rules, and for other testing as required by the individual show.

Authorized representatives of the Association have the authority to enforce the rules set forth herein as well as in the Association Rules, including the barring of a registered animal from a livestock show at which it is to be shown, if there are reasonable grounds to believe a violation has occurred.

AMERICAN ANGUS ASSOCIATION OPEN SHOW CLASSIFICATION FOR ANGUS

Any classes listed in this classification which exceed 15 head per class should be broken into smaller classes. This should be accomplished by dividing the class as evenly as possible without splitting animals with the same birth date.

Example 1: If 16 head are entered in Class 4, the class should be broken into two classes of 8, a class 7 and 9, or a class of 10 and 6.

Example 2: If 32 head are entered in Class 4, the class should be divided into three classes consisting of two classes with 11 head, and one class of 10 head, or similar, without putting animals with the same birth date in different classes.

Class breaks will be at the discretion of the American Angus Association staff in attendance.

This Classification is effective for shows July 15, 2010 to December 31, 2010.

Only registered Angus cattle that meet the age requirements listed within this classification are eligible to receive premium participation and be counted in the total number of head shown – champion and reserve champion placings are not counted in number of head shown.

**ENTRY FEE IS \$16.00 FOR INDIVIDUAL CLASSES.
NO ENTRY FEE FOR GROUP CLASSES.**

ANGUS SHOW PRIZE SCHEDULE #1

For shows with 101 to 150 head, the Angus Association offers a lump sum of \$400 to be dispersed with the 1st through 7th place open class premiums offered by the Fair in breed classes only. Amounts are based on last year's classes. The amounts shown below are approximate; the actual amount per placing awarded from the Angus Association will be determined by the number of placings used in each class.

JUNIOR ANGUS SHOW

JUDGING

Sunday, Sept. 12 – 9:30am

JUDGE

Scott Holt, Caldwell, ID

JUNIOR ANGUS SHOW RULES

The American Angus Association, 3201 Frederick Avenue, St. Joseph, Missouri, will participate in premiums offered in individual classes for Junior Angus Heifers as included in its standard show classifications according to the premium schedule based on the number of head shown. The premium assistance provided by the American Angus Association for participation in this show is in addition to the premiums offered by the show itself. The premium assistance should not be used to offset show expense and shall be included in the premium payments distributed by the show to the exhibitors.

A minimum of fifteen (15) head must be shown in the Junior Angus Heifer classes to receive American Angus Association premium participation. The show is not required to have all classes to be eligible for premiums.

Separate classes for bred and owned heifers may be held if the size of the show merits a separate class.

To be eligible for Association premiums heifer entries must be recorded in the sole name of the Junior Exhibitor and the issue date on the registration certificate must conform to the individual show's requirements regarding ownership. The Association's contribution is included in the total premiums listed in each class.

Premiums from the Association are paid only to registered Angus cattle and only if the registration number is a part of the show report provided to the Association. Therefore, all cattle should be registered at the time of entry to make certain they receive the Association's portion of premiums. The Association does not pay a percentage on premiums offered in Championship Classes. An animal may only be counted one time toward the total count for premium participation by the Association.

Exhibitors must have the ORIGINAL REGISTRATION CERTIFICATE on each animal available for inspection at the show. ELECTRONICALLY STORED REGISTRATION CERTIFICATES ARE NOT ACCEPTED – ONLY THE ORIGINAL CERTIFICATES ISSUED BY THE AMERICAN ANGUS ASSOCIATION. Any animal, upon check-in, which does not have a legible permanent identification mark (ear tattoo marks, freeze-branded marks or hot-branded marks) corresponding to the permanent identification mark on the registration certificate, is ineligible to show. Once disqualified due to an incorrect or illegible permanent

identification mark, animals cannot be re-tattooed and rechecked at the show.

Any female shown with a calf at side, the calf must be the cow's most recent natural calf and the calf must be registered by show date and have the original registration certificate at check-in.

Only one person at a time shall lead animals into the show ring.

Exhibitors who participate in shows that accept premium monies contributed by the American Angus Association are subject to the Association rules as found in the Breeders Reference Guide of the Association. These rules are found in part 2; Association rules. The rules relating directly with the exhibition of Angus cattle are part 2: association rules; rule 800 series; including rule 800-811. These rules can be found at www.angus.org.

Altering the conformation and/or appearance of an animal for exhibition is prohibited. This includes the covering of white skin, false tail heads (or use of any false hair), with the exception of false tail switches. The use of graphite, powders, hemp or other similar substances used externally are also prohibited. Other prohibited products include those used internally such as steroids, illegal or unlicensed pharmaceuticals or artificial filling. Any animal found to be in violation will be barred from showing.

At any show for which the American Angus Association appropriates funds toward the payment of premiums, no exhibitors, individuals assisting exhibitors or member owners at such show shall be allowed to use any coloring agents, on any animal exhibited. The Association may adopt and implement various tests designed to monitor this prohibition, including but not limited to a "white towel" or "white glove" test. No aerosol cans or other pressurized containers will be allowed in designated make up areas.

All animals exhibited are subject to DNA marker or blood type test to verify accuracy of parentage as covered under the Association Rules and for other testing as required by the individual show.

Authorized representatives of the Association have the authority to enforce the rules set forth herein as well as in the Association Rules, including the barring of a registered animal from a livestock show at which it is to be shown, if there are reasonable grounds to believe a violation has occurred.

All entries must be postmarked by July 31, 2010.

The Puyallup Fair will pay premiums to match those being offered to the Junior Angus Exhibitors by the Western Washington Angus Association, not to exceed \$750. Juniors must have 10 exhibitors to receive money from the Fair.

AMERICAN ANGUS ASSOCIATION STANDARD CLASSIFICATION FOR JUNIOR HEIFER SHOWS

Any class listed in this classification, which exceeds 15 head per class, should be broken into smaller classes. This should be accomplished by dividing the class as evenly as possible without splitting animals with the same birth date.

Example 1: If 16 head are entered in class 4, the class should be broken into two classes of 8, a class of 7 and 9, or a class of 10 and 6.

Example 2: If 32 head are entered in class 4, the class should be divided into three classes consisting of two classes with 11 head and one class of 10 head or similar without putting animals with the same birth date in different classes.

Class breaks will be at the discretion of the American Angus Association staff in attendance.

This classification is effective for shows from July 15, 2010 to December 31, 2010.

Only registered Angus cattle that meet the age requirements listed within this classification are eligible to receive premium participation and be counted in the total number of head shown. Champion and reserve champion placings are not counted in number of head shown.

JUNIOR ANGUS SHOW PRIZE SCHEDULE #10

Up to \$750 in contributions from the Western Washington Angus Association will pay up to five places in 18 individual classes, including showmanship.

Please enter all classes where you are eligible to compete, including showmanship. Remember to use class numbers.

Any cow-calf pair may be exhibited provided the calf is bred-and-owned by the junior exhibitor and the following rules are met:

Cow must be bred and owned or solely owned by the exhibitor. If the cow was not bred by the exhibitor, the issue date on the recorded transfer of the cow must precede the breeding date of the cow for the calf at side.

Calf must be the cow's most recent natural calf and must be no more than 280 days of age on the day of the show. Bred and owned by Junior exhibitor and born 12-6-09 or after.

Calf must be registered by show date and have original registration certificate.

There will be no separate division for bred-and-owned vs. owned cow/calf pairs.

HEREFORD SHOW RULES

Exhibitors in Hereford classes are subject to the Association's special rule on class qualification, and any animal without a legible tattoo will not be eligible for show. For state and regional shows, all Hereford animals must be officially recorded at show time to be eligible to show. Entries with registrations "Pending" or "Applied for" will be ineligible to show.

Further, if there are separate shows for horned and polled Herefords at your show, then horned cattle must show in the horned show, while polled and scurred cattle must show in the polled show. Scurs on polled Herefords should be left as is, and should not be tampered with or removed.

Cattle must be entered in either Hereford or Polled Hereford classes at entry time, as they are so registered. No changes may be made after entry closure time of July 31, 2010. Cattle cannot be entered in both shows. Entry fee is \$14.00 for individual classes. No entry fee for group classes.

SHORTHORN PACE SHOW

JUDGING

Saturday, Sept. 11, 2010 – 1 pm

JUDGE

Shane Bedwell – Ft. Collins, CO

SHORTHORN SHOW RULES

All cattle must be purebred to be eligible to show.

No exhibitor shall be permitted to win more than two prizes in any one class. All animals must be registered as the property of the exhibitor in the records of the ASA by the time of the Fair or Show.

Individual animals shown in all of the group classes listed below must have been entered and shown in one of the following classes for single animals. Multiple owned animals must be exhibited in the name of all owners.

All Shorthorns and Polled Shorthorns are subject to a tattoo inspection by representatives of the Association. All Shorthorns and Polled Shorthorns are also subject to an age inspection if deemed necessary by the ASA and the decision of the examining veterinarian is final. Use of artificial fins on show animals is not permitted.

The American Shorthorn Association (ASA), 8288 Hascall Street, Omaha, NE 68124, will credit Open PACE Show exhibitors an additional 20% of each individual premium paid by the Fair/Expo amounting to \$10.00 or more. In order for an exhibitor to be eligible to receive the ASA share of premiums at Open PACE shows, the member must be in good standing, owner's entire herd must be enrolled in the WHR program by July 1 of the given year, and each animal shown must have individual SPR records in order to receive ASA financial support. The ASA portion of the show premium will be given as a credit to the member account. No exhibitor will be credited more than two premiums in an individual class, and the association does not pay additional premiums in the championship classes. The ASA's share of premiums will be handled directly from their office in Omaha, Nebraska.

ENTRY FEE IS \$16.00 FOR INDIVIDUAL CLASSES. NO ENTRY FEE FOR GROUP CLASSES.

Senior/Junior Yearling Pregnancy Rule for exhibitors at all Open Shows: Any senior/junior yearling female 28 months of age or older on or before the date of the PACE show must have a natural calf at side and must be shown with such. All females 20 months of age on or before the date of the PACE show must have a 60 day pregnancy verification signed by an accredited, non-owner veterinarian at the time the female is processed for the PACE show. Exhibitors may be asked to present said verification upon the request of the Show officials or ASA representatives. If verification cannot be produced, the female may be allowed to participate if the exhibitor can produce a qualified veterinarian to examine the female at the show site, and verify a 60-day pregnancy. Any infractions against this rule will lead to disqualification of that animal for that specific PACE show.

NORTHWEST HIGHLAND CATTLE ASSOCIATION REGIONAL SHOW

JUDGING

Friday, Sept. 17, 2010 – 1:00 pm

JUDGE

Randy Mullinix – Toulon, IL

Entry fee must accompany entry form. Due to limited barn space, entries accepted on a first come, first serve basis. You are encouraged to get entries in early! Must be postmarked by July 31, 2010.

DEPARTMENT SCHEDULE

Wednesday, September 15, 6 am – 10 am vet check. All cattle must be vet checked before moving into barn. By 10 am all entries should be in place in the dairy barn. The show is on Friday, September 17 at 1:00 pm in the loading arena.

Sunday, September 19 optional release 6 pm

On Monday, September 20 at 6:00 am – 8:00 am the cattle are released.

HIGHLAND CATTLE SHOW RULES

1. All animals must be registered with the American Highland Cattle Association (or pending, as verified by AHCA) or the Canadian Cattle Society. In addition, exhibitors must be members in good standing with AHCA or the CHCS.
2. Ear tattoos will be checked with the registration papers. Animals without a legible tattoo or permanent identification brand (according to breed standards) are not eligible for showing.
3. No animals accepted for which there is no class or entry. Animals must be of show quality as determined by department superintendent and/or judge.
4. Entry fees are non refundable. Do not send cash. Make check or money order payable to the Puyallup Fair. Entry substitution is allowed only with prior superintendent approval. All beef cattle will be checked in at the west entrance of the Beef Barn. **IMPORTANT:** Please fill out entry form correctly and completely. Be sure to include the section titled "Breed of Animal". All eligible animals must have been vaccinated against Brucellosis. It is strongly recommended that cattle be vaccinated in the current show year against respiratory diseases. **NO NURSE COWS ALLOWED. ALL ANIMALS MUST BE ENTERED FOR SHOW.** All livestock must be checked by the contracted veterinarian prior to admittance. Exhibitor must present registration papers to the superintendent, upon request. All animals must remain on site for the duration of the Fair.
5. All breeds must follow show rules as outlined in class listings. All bulls over 12 months of age must have a bull

lead whenever they are not double tied in the stall. They must be shown with a bull lead. No tie-outs are allowed in show ring. The American System is used for judging and placing. Tampering and misrepresentation: Any artificial means of removing or altering the physical characteristics or conformation in the exhibition of cattle, such as cutting ties or lifting and filling under the skin will be considered as fraud and deception. All animals showing evidence of such treatment will be barred from competition. Misrepresentation of the age of an animal will be considered in the same light. The Fair and/or superintendent reserve the right to add, split or combine lots as deemed necessary in the best interest of the show. Exhibitors agree to abide by the IAFE (International Fair and Expositions) National Code of Ethics. The Fair reserves the right to substitute the judge, as necessary.

6. **ANIMALS MUST BE IN THEIR PLACE BY TIMES STATED IN THE SCHEDULE.** Double tie required on all animals. Animal exhibits are not allowed out of the general vicinity of the barns and the show rings. Exceptions are made with the superintendent's approval only. Best exhibit competition is mandatory. All persons exhibiting animals are expected to display them in a professional manner. Refer to Best Exhibit scorecard that addresses all areas of responsibility. The Fair provides bedding and hay. No overnight sleeping in the barn. Pets are not allowed in barns/buildings, except those being exhibited, plus service dogs (as defined by ADA). All exhibits must be presentable to the public and on display in assigned area during public hours (exception: judging/showing and practice times).
7. **No clipping or blocking of Highland breeding stock is allowed. Trimming of hair on belly, for purpose of leveling the bottom line, is acceptable in the area between the front and back legs.**

ENTRY FEE IS \$14.00 FOR INDIVIDUAL CLASSES.

NO ENTRY FEE FOR GROUP CLASSES INCLUDING STEERS.

SIMMENTAL SHOW RULES

Registration papers need to be checked in with office upon arrival.

All Simmental entries must be Purebreds or Full bloods with proper registration papers, or have registration pending in case of young animals. In the junior show, exhibitors may show percentage heifers (50% or greater). Juniors with percentage heifers may not show in open class (but must be entered in the open class) which requires pure bred or full blood animals. All animals must have a legible tattoo that corresponds with the animal's tattoo on registration papers. Registration papers need to be checked in with office upon arrival.

All animals in class 713 are required to be bred and must be accompanied with a certificate of pregnancy. Heifers must be bred to calve by thirty months of age. Papers must be shown at vet check to Association representative. NO PAPERS, NO ADMITTANCE. FAXING THESE PAPERS WILL NOT BE ALLOWED.

Females will be judged first, starting with the youngest class. Animals are to enter the ring in order of age, oldest to youngest. All animals will be at ringside, one class ahead of the class in which they are to show. Any animal not at ringside when its class enters the ring will be scratched from the class.

All entries will be subject to an inspection for tattoos, registration and health papers prior to the show. No tattooing will be allowed at the Fair. Note to those eligible for the Western Harvest Sale Futurity: At the conclusion of the Junior Simmental Show, a futurity class for heifers purchased in the previous year's Western Harvest Sale will be held. Please note premiums are not paid on this class, but there will be cash awards sponsored by the Washington Simmental Association.

ENTRY FEE IS \$14.00 FOR INDIVIDUAL CLASSES.
NO ENTRY FEE FOR GROUP CLASSES.

JUNIOR SIMMENTAL SHOW RULES

1. Participants must not have reached their 22nd birthday prior to January 1, 2010.
2. The registration certificate must be issued in the name of the junior exhibitor or in the name of a membership in which the junior exhibitor is an authorized representative.

In the junior show, exhibitors may show percentage heifers (50% or greater). Juniors with percentage heifers may not show in open class (but must be entered in the open class), which requires pure bred or full blood animals.

Note to those eligible for the Western Harvest Sale Futurity: At the conclusion of the Junior Simmental Show, a futurity class for heifers purchased in the previous year's Western Harvest Sale will be held. Please note premiums are not paid on this class, but there will be cash awards sponsored by the Washington Simmental Association.

Animals used for showmanship must be eligible for Junior Show classes. PLEASE ENTER ALL CLASSES YOU ARE ELIGIBLE TO COMPETE IN. SHOWMANSHIP INCLUDED-USE CLASS NUMBERS.

BEST EXHIBIT AWARD

The Best Exhibit Award will consist of two categories; one for exhibitors with more than four head, and one for exhibitors with four head or less, and will be based on the following criteria:

General appearance:

Eye appeal, neatness, total picture presented, coordination of theme, and showmanship.

Creativity:

The use of color, material, ingenuity of presentation.

Educational:

The display should tell a story about the exhibitor's breed of cattle, or the exhibitor's farm or breeding program, or a commodity (beef products or dairy products).

Herdsmanship:

The upkeep of the display and cattle, cleanliness of total area and equipment.

Exhibitor:

Cooperation with fellow exhibitors and Fair officials, and a willingness to answer questions and meet the public.

Suggestions:

Each display should include an attractive farm sign, animal identification and a small booth (optional). Equipment and tack boxes should be painted and in good repair. Pictures and posters can be used to tell the story the exhibitor wishes to convey.
