## **BOER GOAT SHOW RULES**

1. Entry forms must be postmarked no later than Friday, August 20, 2010.
2. Fair entry fee is \$5.00 per head (for first show), and is due with entry form.
3. There will be a limit of 120 goats in this show.
4. Goats must be delivered between 6 am and 9 am on Tuesday, September 14. All animals will be inspected by the Fair veterinarian before penning. Please read vet rules in the front of this book. **The Puyallup Fair requires that all goats must be tagged or tattooed with Scrapie identification. Animals having partial tattoos shall have accompanying identification papers that must be presented upon check-in.** A map of pen assignments in the Dairy Barn will be posted. If there are any questions, check with the Superintendent.
5. Upon arrival please turn in your original registration papers (**NO COPIES**) to the show secretary. All tattoos must be legible (clearly readable). No tattooing will be allowed after unloading. Wethers need not be tattooed.
6. Judging will take place on Wednesday, September 15 and Thursday, September 16 in Town & Country Arena 1.
7. All goats must be registered with the ABGA. Only original registration certificates from a recognized association will be accepted, except for kids less than three months, which may use a copy of a registration application. It must be stamped with the date received by one of the recognized associations.
8. All goats must have legible tattoos or other means of permanent identification consistent with its registration certificate or the animal will be disqualified. The top five in the class, plus the champion and reserve champion goat's tattoos must

be read and recorded. If the animal has a microchip as its permanent identification, the exhibitor is responsible for providing a microchip reader.

9. Birth dates, as listed on the registration certificate, will be used to determine the class divisions. Take the show date and count back to the birth date to determine the age and class for the animal.
10. Group entries must be listed on the entry form. All animals shown in groups must be entered and shown in individual classes.
11. Only animals to be shown will be allowed. No nursing does, bucks or new-born kids unless born during transport.
12. The hay and straw storage shed will not be open to exhibitors. Please order hay and straw from your Superintendent before 6 pm for the following morning's requirements. Hay and straw bales shall not be used for purposes other than feed and bedding.
13. Goats must be removed between 6 pm and 8 pm on Thursday, September 16, 2010. At posted times of release, all livestock exhibits shall be removed to permit clean-out and disinfection of the area in preparation of the arrival of the next section of animals. Early arrivals and holdovers may be accommodated by special arrangements.
14. **Animals may not be walked on or off the grounds** because of serious environmental concerns directly related to animal waste. Any animal (except horses) that cannot be transported in a solid bottom carrier must be removed in a truck, trailer, or similar conveyance.
15. 4-H dormitories at the Puyallup Fair will be available for use by 4-H State Fair/State FFA Exposition exhibitors and their chaperones ONLY. Open class exhibitors should make arrangements for accommodations off of the grounds.
16. **Eating in the Barns vs. E. coli O157:H7 – Exhibitor Cooperation Needed.**

Again this year our barns will not only have signage reminding Fair guests to "Wash your hands upon leaving any livestock area", but also "Please refrain from eating in livestock areas".

The State Health Department has asked the Fair to request that our livestock exhibitors set an example for Fair guests and refrain from eating in most areas of the barns. In order to accommodate the Health Department's request, as well as address our exhibitor's needs, we have set aside an area, screened from public view, in the south end of the Dairy Barn for exhibitors to eat.
