DEPARTMENTAL EXHIBITORS RULES AND REGULATIONS

The general supervision of the entire Puyallup Fair and Spring Fair in Puyallup, including all exhibits, entertainment and concessions, has been vested by the Western Washington Fair Association board of directors in the Chief Executive Officer of the Association.

1. The Association will have officers on the grounds and will use every reasonable precaution in its power for the preservation and protection of persons, articles on exhibition, entries, livestock and property, but will not be responsible for loss or damage by theft, fire or otherwise.

TRADEMARKS AND COPYRIGHTS

2. Certain words, slogans and graphic symbols have been established to represent the Puyallup Fair and the Spring Fair in Puyallup, and are the exclusive property of the Western Washington Fair Association. "The Spring Fair in Puyallup" and "The Puyallup Fair" are trade names registered with Washington's Secretary of State. Artwork, slogans, music and other communications created to promote or represent the Association or its annual fairs are likewise protected by law. This includes the phrase "Do the Puyallup" and the music and lyrics of the song, "Do the Puyallup," the wordmark combining "THE SPRING FAIR IN PUYALLUP" and "THE PUYALLUP FAIR" and other temporary slogans such as "It's Spring, Baby!", "Epic Fun" or "I Love This Fair."

The valuable trade names and protected slogans and symbols may not be used without the express written consent of the Fair. In general, permission is granted under license, i.e., for consideration, or by permission under special circumstances. Submit requests to the marketing manager, along with complete information on frequency and distribution, including examples or written description of the proposed use.

4. Every animal or article must be entered in the name of the owner, maker or grower.

ANYONE TRYING TO DECEIVE THE COMMITTEE WITH REGARD TO OWNERSHIP OF EXHIBIT, OR WHO SHALL PURCHASE OR BORROW THEM AND EXHIBIT THEM AS OF HIS OR HER OWN MANUFACTURE OR PRODUCTION, SHALL FORFEIT ALL CLAIMS AS AN EXHIBITOR.
5. No "FOR SALE" cards will be allowed on exhibits, in the buildings, or on the grounds.
6. Fair management reserves the right to cancel any class without prior notice for reasons deemed advisable by Fair legal counsel and/or Fair veterinarian.

ARRIVAL TIME OF EXHIBITS

7. The Puyallup Fair will be open for the receiving of articles according to the specified rules governing individual departments.
8. EXHIBITS MUST BE IN PLACE AT 8:00 A.M. THE FIRST DAY OF THE FAIR UNLESS OTHERWISE NOTED. CHECK EACH DEPARTMENT'S ENTRY INFORMATION FOR POSSIBLE EXCEPTIONS.

PREMIUMS AND AWARDS

9. First premiums shall be designated by blue ribbons, second premiums by red ribbons, third premiums by white ribbons, fourth premiums by pink ribbons, and fifth premiums by yellow ribbons.

10. No animal or article shall be allowed to compete for more than one open class premium, nor shall it be entered in more than one class, except as one of a herd, pair or pen, fur or wool, get of sire or dam, or in sweepstakes or championship classes. However, 4-H and FFA exhibitors may also show their registered livestock in open classes, provided their entries are received by the closing date for entries in the open class, and providing there is no conflict in judging schedule with the junior show.
11. No animal or article shall be removed from the Fair before the close of the Fair or show, except by special permission from the superintendent. Any animal or article taken away before the close of the Fair or show without the permission of the superintendent shall forfeit all premiums. LIVESTOCK EXHIBITORS: SEE RULES IN REGARD TO SPLIT SHOWS UNDER SPECIFIC DEPARTMENTS.
12. Unless otherwise stated by a specific department, in cases where exhibits are tied for prizes, awards shall be determined as follows:
 - A. If the premium is a trophy, medal or any other award except a cash prize, the exhibitors entering these exhibits shall draw lots, the winner being awarded the premium.
 - B. If the premium is a cash prize, the money shall be divided equally among the exhibitors concerned. The next lower cash premium, if any, offered in the class shall be added to the premium for which the entries are tied, and then the division shall be made equally.
13. Cash prizes shall be paid to winners only in classes included in the judge's list.
14. The judges shall report only the animals or articles entitled to premiums in the judge's list, though they may commend others they deem worthy. The superintendent may deny entry to any animal or exhibit he deems unworthy of public display.
15. No animal or article deemed unworthy shall be awarded a premium. No premiums shall be withheld merely because there is no competition. Decision of the judge shall be final.
16. No person shall be allowed to see the judging books until after the awards have been made and entered.

PENALTIES AND PROTESTS

17. Fair management will appoint a superintendent and one or more judges for each division when deemed necessary. No person can act as a judge in any division or class in which there is any direct or indirect

interest in the result as owner or agent; and when awards have been made in violation of this rule Fair management reserves the right to appoint a new judge and to compel another examination.

18. Any person interfering with the judge during the adjudication of awards will forfeit the right of premiums. All officers or judges are required, and exhibitors are requested, to report any violation of this rule to the department superintendent.
19. All protests must be made in writing, and must be accompanied by a deposit of \$25.00, which will be forfeited if protest is not sustained. Such protest must state plainly the cause of the complaint or appeal, and must be filed with the Puyallup Fair Entry Office within 24 hours after the cause of protest.
20. NO PERSON SHALL BE ALLOWED TO SELL OR GIVE AWAY ARTICLES ON THE GROUNDS, EITHER DURING THE FAIR OR AT ANY TIME BEFORE THE COMMENCEMENT OF THE SAME, UNTIL THE LICENSE FOR THE PRIVILEGE SHALL HAVE BEEN PAID AND RECEIPT THEREFORE ISSUED. THIS INCLUDES BALLOONS OR OTHER NOVELTIES FOR WHICH THE FAIR CONTRACTS THE SALE PRIVILEGE.

PERSONALITY RIGHTS

Exhibitor hereby grants to Western Washington Fair Association ("WWFA") the irrevocable, assignable, worldwide right and license to use, alter and publish his/her image, alone or together with other images and text, for WWFA publications and for all other purposes reasonably related to promotion of WWFA, the Spring Fair in Puyallup and Puyallup Fair, in any manner and in any medium now known or later developed, without the need for exhibitor's prior approval. This right and license will govern all images of exhibitor, whether created before or after the date of these Rules and Regulations, unless exhibitor notifies WWFA in writing that of a desire to exclude specific images from this right and license. Exhibitor hereby releases the photographer and/or videographer and WWFA, its agents and assigns, from all claims and liability relating to the licenses that exhibitor has granted in this license and release. This license and release will not obligate WWFA to use or publish exhibitor's image or use the rights exhibitor has granted.

ELECTRICAL USAGE NOTICE

Electrical appliances which draw more than 200 watts and which are used for the personal convenience of exhibitors (kettles, coffee pots, space heaters, air conditioners, hot plates, etc.) are not allowed without permission. A costly power failure can result from overloading circuits.

NO COOKING OR EATING IS ALLOWED IN THE BARN.

VEHICLE UNLOADING PROCEDURES

The Puyallup Fair is continually striving to make setup of merchandise and animal exhibits safer and more efficient. We are asking for your full cooperation in this safety program. **If you do not need to drive onto the grounds, please park in a Fair parking lot and hand truck or walk in.** When you have to drive in and unload, do so as quickly as possible and exit.

Security Check

Each vehicle entering the grounds will be subject to search prior to entering the grounds. Please enter designated Security Checkpoint Staging Area located at the Service Gate area. Expect delays.

Service Gate

Enter to receive vehicle permit to unload on grounds. You will be allowed one hour to unload and exit the grounds. Your pass will be date/time stamped. If you absolutely cannot complete your unloading in one hour, you must get the pass validated by a department superintendent or an administrative person.

Traffic Pattern

Follow the traffic patterns as established. Surrender the vehicle permit at the time you exit the grounds.

Fine

If you take longer than one hour and do not have validation for an extension, there is a parking fine of \$10.00 per hour.

During Fair Time

Concessionaires and sponsors with vehicles will be allowed through the Service Gate between 6:00 am and 8:30 am with a Service Road Vehicle Permit. You will receive your gate permit from the attendant at the gate. **NO** vehicles are allowed through the gate after 8:30 am. All vehicles must be removed from the grounds by 9:00 am. Vehicles left unattended and without a permit for parking past the allotted time will either receive a warning and be asked to remove the vehicle from the grounds or be towed away at the owner's expense. Do not park in front of doorways or in vehicle traffic lanes. Your vehicle may be towed away. **HANG VEHICLE PERMIT ON THE REAR VIEW MIRROR SO YOU CAN BE FOUND IN AN EMERGENCY. Include the building where you can be located and your cell phone number.** Please unload quickly and remove your vehicle from the grounds. **NO KEYS ARE TO BE LEFT IN MOTORIZED VEHICLES ON DISPLAY.**

VETERINARIAN RECOMMENDATIONS FOR ALL LIVESTOCK EXHIBITORS

TOP FIVE DISEASE PREVENTION RECOMMENDATIONS

1. Segregation – Prevent contact of your livestock with other animals.
2. Restrict use of feed, equipment, and trailers to your animals.
3. Do not remove feed/bedding from the Fair. Equipment used at the Fair should be cleaned and disinfected.
4. Notify a veterinarian immediately if an animal becomes sick.
5. Isolate animals returning home for 30 days.

BIOSECURITY CHECKLIST FOR LIVESTOCK EXHIBITORS

Before and During the Fair

- Monitor visitors to your animals and farm, especially if they have traveled outside the country.
- Make sure all veterinary health inspections and certificates of veterinary inspection are current for all animals you will take to the Fair.
- Follow the Fair vaccination guidelines and give recommended vaccination at least 10 days before the event.
- Disinfect all equipment, such as buckets, shovels, wheelbarrows, manure baskets, lead ropes, blankets snares, clippers, scissors, brushes, showbox and so forth before entering the fairgrounds.
- Don't share equipment with other exhibitors unless it has been cleaned and disinfected before and after use.
- Eliminate traffic between exhibitors of different species (especially sheep and cattle). If it is not possible to eliminate this traffic, change clothing and disinfect hands before handling a different species.
- As much as possible, minimize feed and water changes from home to Fair.

- Keep unused equipment and feed bagged or covered to reduce the risk of contamination.
- Vehicles and trailers used to transport animals to and from the Fair should be well cleaned and disinfected, inside and out, between uses.
- Do not mix species in the same trailer. Avoid commercial haulers with multiple animals from multiple farms.
- Clean and disinfect all items at the end of the Fair before taking them home.
- Properly dispose of unused bedding, hay and feed after the Fair. Do not bring it home.
- Minimize stress by keeping animals cool, well bedded and comfortable.

After the Fair

- Keep Fair animals isolated from other animals and pets for at least 30 days.
- Check these isolated animals every day for any signs of illness. Contact a vet if you see any unusual symptoms.
- Care for isolated animals separately, then shower, change your clothes and clean and disinfect your boots before going to other areas of the farm.
- The person caring for animals at the Fair should not perform animal-related chores at home. If the same person must do both, chores at home should be done first. Garments should be cleaned and disinfected between each trip to the Fair and barn/pasture.

OPEN CLASS VETERINARIAN INFORMATION: Livestock from WITHIN Washington State

The 2009 Exhibition Livestock Health requirements include many changes. Please read carefully.

The following are the minimum animal health requirements for the Puyallup Fair, including cattle, goats, sheep, llamas, horses, swine, pigeons, poultry, rabbits and cavies originating within the state of Washington. The Fair will have official veterinarians available for animal health care.

1. Individual Certificate of Veterinary Inspections on Washington animals is not required for entry into the Fair.
2. No animal from a quarantined area or premise may be permitted to enter the Fair or show.
3. OUT-OF-STATE ANIMAL ENTRIES MUST COMPLY WITH STATE OF WASHINGTON IMPORT REGULATIONS. NO EXEMPTIONS UNLESS EXEMPTED BY RULE.
4. Fair veterinarians will inspect all classes of livestock and poultry (including, but not limited to cattle, swine, horses, pet animals, rabbits, fur-bearing animals, pigeons, ducks, geese, turkeys, etc.) before they are permitted access into the barns to determine that the livestock and poultry show no clinical indications of contagious, infectious diseases and ectoparasites.
5. Fair veterinarians will reject any animal with infectious or contagious diseases or ectoparasites. Exhibitors should be made aware that ringworm, warts, pinkeye, strangles, contagious ecthyma, scabies, lice, mites, ticks and fleas fall into these categories.
6. Animals exhibiting disease symptoms during the course of the Fair will be removed from the exhibit areas, and either be sent home or kept in a quarantined area.
7. It is strongly recommended, but not required, that cattle be vaccinated in the current show year against respiratory diseases. Any cattle going to the Fair should have adequate protection against IBR, BVD, PI3, and BRSV.
8. The Fair veterinarian's professional decision as to the health status of an animal will be final and will be upheld by the Fair board.
9. Animals and birds not intended for exhibition will be denied entry to the grounds. Please leave your pet at home for its own protection, with the exception of guide/service animals. They should be properly protected against infectious and communicable diseases as indicated for exhibit animals.
10. The Puyallup Fair requires all goats and sheep to be tagged or tattooed with Scrapie Identification.
11. All sheep will be inspected with blankets removed before allowed entrance to the barns.

Killed products need appropriate booster to have maximum benefit depending on what vaccines have been given in the past. In addition, they should have five-way lepto and eight-way clostridial protection. It also doesn't pay to buy the cheapest product available. There is a difference in vaccines. The intranasal product is suggested, whether or not it will protect for MCF, it will give IBR protection.

Please remember that E.coli 0157:H7 infection can be transmitted by contact with animals. Youngsters, seniors and immune impaired persons are particularly susceptible. Hand washing facilities are available and should be used wherever human-animal or animal waste contact is possible, and signage directing the public to those facilities is visible throughout the barns.

OPEN CLASS VETERINARIAN INFORMATION: Livestock from OUTSIDE Washington State

Exhibitors of animals and birds originating outside of Washington must comply with state rules and regulations in addition to the requirements of the Puyallup Fair.

Entry permits are required for all out-of-state cattle. A blanket permit to each Fair will be issued upon request by calling (360) 902-1878. The blanket permit number for the 2009 Puyallup Fair is 91-C1432 for out-of-state exhibitors. Their veterinarians need not call if they use this permit number on health certificates for this Fair only.

Permits for special livestock sales may be obtained by calling the Livestock Identification Program at (360) 725-5505.

All out-of-state animals going to Fairs must have a Certificate of Veterinary Inspection except for Idaho and Oregon dogs, horses, sheep, goats, alpacas and llamas traveling to Washington with their owners in personal vehicles for roundtrip visits of not more than 96 hours. It requires that the Fair management provides veterinary inspection on arrival, and rejects any unhealthy animal. This exemption does not apply during emergency disease conditions declared by the State Veterinarian, or extend to any required testing.

OUT-OF-STATE CATTLE

All cattle are required to have a Certificate of Veterinary Inspection (health certificate) listing official individual identification and an import permit, which may be the blanket permit for the Fair, 91-C1432.

All dairy bulls over six months of age and any dairy females over 20 months require a negative Brucellosis test within 30 days of shipment if being sold. No test is required if for show only.

All dairy bulls and heifers over six months of age require a negative Tuberculosis test within 60 days of shipment.

Any breed cattle over six months of age from the states of California, Michigan, Minnesota and New Mexico and the countries of Canada and Mexico require a negative Tuberculosis test within 60 days of shipment.

All cattle are required to have an ownership inspection (brand) from the state of origin prior to entering the Fair.

Canadian Cattle: These cattle must comply with Washington state import requirements. Non-vaccinated Canadian cattle will be allowed entry into the Fair and return to Canada. A Certificate of Veterinary Inspection, an entry permit number (blanket permit for the 2009 Fair is 91-C1432), a negative Tuberculosis test within 60 days of shipment and a negative Brucellosis test within 30 days are required. If the cattle remain in the state, they must meet Washington Brucellosis requirements.

OUT-OF-STATE SHEEP AND GOATS

All sheep and goats are required to have a Certificate of Veterinary Inspection and all rams require an entry permit number. All sheep and goats must have official scrapie identification. Sheep and goats from Oregon and Idaho on a round trip of 96 hours or less are exempt from the requirement of a Certificate of Veterinary Inspection, provided the Fair management furnishes veterinary inspection on arrival and rejects any unhealthy animals. For stays longer than 96 hours, they must meet the Washington state import requirements.

If lactating goats are entering, their milk must be discarded during any stay in Washington, unless they have been tested for Brucellosis and Tuberculosis.

OUT-OF-STATE ALPACAS LLAMAS

Llamas and alpacas are required to have a Certificate of Veterinary Inspection. The exception includes those from Idaho and Oregon on a round trip of not more than 96 hours, provided the Fair management furnishes veterinary inspection on arrival and rejects any unhealthy animals.

OUT-OF-STATE POULTRY AND PIGEONS

All poultry entering Washington state for exhibition purposes must be accompanied by a Certificate of Veterinary Inspection (health certificate) within 30 days of shipment.

All poultry entering Washington state for exhibition purposes must originate from a NPIP participant flock or be tested negative for pullorum-thyphoid, Salmonella enteritidis and avian influenza within 30 days of shipment.

OUT-OF-STATE HORSES

All horses are required to have a Certificate of Veterinary Inspection, and horses over six months of age are required to have evidence of a negative test for (EIA) equine infectious anemia within six (6) months of entry.

Horses from Oregon and Idaho on a round trip of 96 hours or less are exempt from the requirement of a Certificate of Veterinary Inspection and EIA testing, provided the Fair management furnishes veterinary inspection on arrival and rejects any unhealthy animals

All horses are required to have an ownership inspection (brand) prior to leaving the state of origin.

OUT-OF-STATE SWINE

All swine are required to have a Certificate of Veterinary Inspection and an import permit number, which may be the blanket permit number issued to that Fair.

All swine six months and over coming from the state of Texas must be negative to a Brucellosis test within 30 days prior to entry into Washington, except swine originating from a validated Brucellosis-free herd.

19. ABSOLUTELY NO BREEDING ALLOWED ON GROUNDS. NO EXPECTANT DOES MAY BE ENTERED.
20. All exhibits must be removed Wednesday evening, September 23 between 6 pm and 7 pm. **Solid bottom** push carts, wagons, etc. will make rabbit removal easier. Rabbits not removed by 7 pm Wednesday night will be disposed of at the discretion of the show superintendent.

ANIMALS RELEASED TO A PERSON OTHER THAN THE OWNER MUST SHOW WRITTEN PERMISSION TO SHOW OFFICIALS. Such a document must bear date and the signature of the owner.
21. DURING THE FAIR ALL VEHICLES MUST BE OFF GROUNDS BY 9 AM, OR THEY WILL BE TOWED AWAY.
22. Exhibitors are encouraged to bring their own screw-on or clip-on feed dishes (see illustration on entry sheet). You may bring and install your own water bottles. Fair staff will ONLY maintain screw-on, clip on, and fair supplied containers, but not water bottles.

23. No animal may be removed from the showroom prior to 6 pm, September 23 without permission of the show committee. NO EXCEPTIONS.
24. Any animals removed before 6 pm September 23 will automatically forfeit premiums and awards. NO EXCEPTIONS.
25. **Eating in the Barns vs. E. coli O157:H7 – Exhibitor Cooperation Needed.** Again this year our barns will not only have signage reminding Fair guests to “Wash your hands upon leaving any livestock area”, but also “Please refrain from eating in livestock areas”.

The State Health Department has asked the Fair to request that our livestock exhibitors set an example for Fair guests and refrain from eating in most areas of the barns. In order to accommodate the Health Department’s request, as well as address our exhibitors needs, we have set aside an area, screened from public view, in the south end of the Dairy Barn for exhibitors to eat.

EXPLANATION OF SAMPLE ENTRY FORM:

BE SURE TO INCLUDE EAR NUMBER. TATTOO CAN BE PUT IN EAR WHEN ANIMAL ARRIVES FOR A COST OF \$2.00. YOU CAN USE LETTERS, NUMBERS, OR COMBINATION OF BOTH, UP TO FIVE DIGITS.

Name and address, of course, are very important. Please include your PHONE NUMBER, as clarification of entry may be necessary. An email address would

also be very helpful. Please write clearly so that your information can be properly captured.

Class numbers follow this explanation (bucks are male rabbits - does are female rabbits.)

Sections marked Senior, Intermediate, Junior and Pre-Junior are determined by the age of the rabbit.

Six Section Heavyweight Classes include:
 Seniors - Eight months and older
 Intermediates – Six and seven months old
 Juniors - Three months through five months old
 Pre-Juniors - less than three months
 (Pre-Juniors do not compete with above classes for Best of Breed)

Four Section Middleweight and Lightweight Classes are:
 Seniors - Over six months
 Juniors - six months and younger

*NOTE: In some of the above classes a weight may determine that an animal should be shown in a class above the age limit shown. Check individual Breed Standards.

Before an animal can be entered in any fur class, it must first be entered in type of competition. Fur classes have their own class numbers.

In the example, the Dutch Junior Doe was first entered in type competition (Class 2210). Then the same animal was entered in Breed Fur (Class 2211). She will be judged against other Dutch entries in Breed Fur. The second fur entry for the Dutch Doe is in Open Fur (Class 2360). She will then be judged against all breeds entered in Fur competition. Entry fee is charged for each class entered.

The White Rex Senior Doe is entered in type competition (Class 2150) and then in Rex Fur competition (Class 2151).
