

Shows of all kinds and sizes. The Show Arena is a versatile open air building used for commercial exhibit space during the months of October–April and horse/livestock shows during the months of May–August. The arena alternates between a dirt and asphalt floor. Attached to the Show arena is the Beef Barn, a partially enclosed building that holds up to 55 10' x 10' box stalls or tie stalls for up to 150 cattle. A small office area and hay storage room are connected to the Show Arena. Due to its close proximity to Paulhamus Arena and the ShowPlex Exhibition Center, this building can be used for a variety of animal shows and commercial exhibits, no matter the size.

Building Features:

- Automatic sprinkler system
- Office and storage space
- Additional covered space attached
- RV and trailer parking available
- Abundant guest or public parking
